(Authoritative English text of this Department Notification No. Fts-II (B)15-10/87 Dated 23.8.2001 as required under clause (3) of article 348 of the Constitution of India)

NOTIFICATION

No. Fts. II (B) 15- 10/87 Dated 23.08.2001

In exercise of the powers conferred by section 80 read with section 81 of the Indian Forest Act, 1927 (Act No. XVI of 1927), the Governor, Himachal Pradesh is pleased to make the following Regulations, namely:

1. Short title, application and commencement:

(1) These Regulations may be called the Himachal Pradesh Participatory Forest Management Regulations, 2001.

(2) They shall apply to such Government forests and such Government land including the common land, which shall be selected jointly for participatory forest management by the Society and the Department.

(3) They shall come into force from the date of publication in Rajpatra, Himachal Pradesh.

2. Definitions:

In these Regulations, unless there is anything repugnant in the subject or context, -

(a) "**Act**" means The Indian Forest Act, 1927, (Act No. 16 of 1927) as amended in its application to Himachal Pradesh;

(b) "**Conflict Resolution Group**" means a group consisting of a representative of the concerned Gram Panchayat, a representative of the local non-government organizations or local community based organizations and the concerned Assistant Conservator of Forests;

(c) "**common land**","**family**","**Gram Panchayat**", "**Panch**", "**Pradhan**", "**village**" and "**Ward**" shall have the meanings respectively assigned to them in the Himachal Pradesh Panchayati Raj Act, 1994 (Act No. 4 of 1994);

(d) "**Department**" means the Himachal Pradesh Forest Department;

(e) **"Divisional Forest Officer**" means the forest officer in-charge of a territorial or wildlife forest division of the Department;

(f) "**Executive Committee**" means executive body of the Society;

(g) "**Forest Officer**" means a Forest Officer as defined under sub- section (2) of section 2 of the Act;

(h) "**General House**" means General House of the Society;

(i) "**Government**" means Government of Himachal Pradesh;

(j) "**Grazier group**" means a group of persons, whether resident members or migratory graziers, who are dependent on the grazing resource in the selected area for meeting their livelihood needs;

(k) "**Micro- plan**", means a holistic forest management and development plan of the area selected for participatory management;

(l) "**Participatory forest management**" means management of Government forest and Government land including common land managed jointly by the Society and by the Department;

(m) "**Selected area**" means any Government forest and Government land including common land selected under regulation 3 of these Regulations;

(n) "**Self help group**" means any organized group of persons, who collectively by mutual help are able to enhance their economic status through resource based activities;

(o) "**Site specific plan**" means a sub component of the micro-plan which is a technically appropriate plan for the site;

(p) **"Society**" means village forest development society registered under section 3 of the Societies Registration Act, 1860 (Act No. 21 of 1860) for participatory forest management;

(q) "**Sustainable forest management**" means management which is economically viable, environmentally benign and socially beneficial, and which balances present and future needs; and

(r) "**User group**" means a group of persons dependent upon a common natural resource for sustaining its livelihood needs.

3. Intent of participatory forest management:

(1) On an application made to the Divisional Forest Officer signed by at least 50 percent of the voters of a Gram Panchayat Ward, any Government forest and Government land including common land may be brought under participatory forest management. The land so identified shall be known as selected area.

(2) In accordance with the wider objectives and plans of Government for sustainable forest management, the selected area shall be managed jointly by the Society and the Department on the terms and conditions of an agreement to be entered between the Society and the Department.

4. Village forest development society:

(1) There shall be a Society for a Gram Panchayat Ward. However, where the Ward is not compact and the hamlets within it do not have common forests, common grazing lands, common rights and concessions more than one Society may be formed for each cluster of hamlets. The Society shall be registered under section 3 of the Societies' Registration Act, 1860. (Act No. 21 of 1860).

(2) All voters of a Gram Panchayat Ward shall be entitled to be enrolled as members of the Society.

5. Constitution of Executive Committee of the Society:

The Executive Committee shall consist of -

a) President to be elected by the General House;
b) Vice President -do-
c) Four Members -do-

AGREEMENT

(AGREEMENT FOR SUPPLY OF DEODAR STUMP FOR MANUFACTURE OF DEODAR OIL.)

This agreement is made on this 15th day of May, 2017 (Two thousand and seventeen) between the Government of Himachal Pradesh through the Conservator of Forest, Mandi, Himachal Pradesh (hereinafter called the" Seller") of the one part and M/S Hari Indusrtries having its registered office at VPO Baggi, District Mandi, Himachal Pradesh through its Sh.Surender Mohan who is duly authorized by the buyer (herein after called the "Buyer") of the other part which expression shall include its successors and assignees, of the other part, witnessed as follows:-

WHEREAS the "Buyer" is owner of a factory installed for the manufacture of deodar oil (herein after referred to as the "factory") at VPO Baggi, District Mandi, in Himachal Pradesh.

WHEREAS the "Buyer" wants to enter into an agreement for the purchase of stumps of deodar from Suket and Karsog Forest Divisions in Mandi Forest Circle in Himachal Pradesh for the purpose of extraction deodar oil from them, subject to terms and condition laid down, for a period from 15-5-17 to 31-03-2027 and

WHEREAS the "Seller" has agreed to sell stumps of deodar to "Buyer" as per terms and conditions hereinafter set out in this Agreement, and subject to the "Buyer" maintaining all necessary machinery for the manufacturing of deodar oil at the site given in Himachal Pradesh, and a certificate to this effect being given by the Director of Industries & I.T Himachal Pradesh;

THIS AGREEMENT WITNESSETH AND IT IS AGREED BY AND BETWEEN THE PARTIES HERETO AS UNDER:-

1. That unless there is something, repugnant in the subject of context, words used in this agreement, which are defined in the Indian Forest Act (Act No. XVI of 1927) and rules framed there under, shall have the meanings respectively assigned to them in that Act and Rules and singular shall include plural and vice-versa.

2. That subject to the provisions hereinafter stipulated, this agreement is to be operative for ten years up to *31/3/27* only, depending upon the availability of raw material and performance of the agreement commitments by the "Buyer". The existing allotment of Forest Divisions having Deodar forests to the respective units for extraction of Deodar stumps shall continue. The availability of Deodar stumps cannot be guaranteed. Only the stumps which are available or shall become available in future will be provided and industries will plan production accordingly.The demand of Deodar stumps from the area allotted to a particular unit decreases or the unit becomes defunct, in that case applications for new unit will be considered by the government depending on the availability of the sufficient number of deodar stumps.

3. That for the duration of this Agreement, the "Seller" agrees to sell to the "Buyer" from said area, subject to their availability, stumps of deodar, totaling up to *1000* (Metric Ton) of stumps annually with right to utilize the same for the specified purpose of manufacturing Deodar oil in their/his factory.

4. That it is expressly understood that whole of the wood (only stumps) purchased by the "Buyer" as per terms of this Agreement shall be used only for the manufacture of deodar oil and derivatives thereof, related by products and value added products and the same shall not be used, sold or disposed off in any other manner.

No 0321524 2017 **Himachal Government Judicial Paper**

5 (a). That the "Buyer" binds himself to lift and pay for the said stumps of deodar, at a royalty rate per quintal to be fixed by Himachal Pradesh Forest Department. The "Buyer" will pay the advance royalty by taking average weight of stumps as 2.5 quintal per stump. However, the royalty rate for the period 1/4/2017 to 31/3/2018 will be Rs. 337/- per quintal of deodar stumps. On receipt of balance sheet for the 2016-17 of all units in June, 2017, the royalty rates of deodar stumps will be calculated which will be applicable for three years from 1.04.2017 to 31.03.2020.

5a(i) That market rates of cedar wood oil will form the basis for fixation of royalty rates of deodar stumps for the period 01.04.2017 onwards. For this purpose, the cost of cedar wood oil shown in the trading accounts/balance sheets of the firms with whom agreement have been signed will be considered, to determine the market rate of cedar wood oil. The weighted average of sale rate of cedar wood oil shown in last three years balance sheets of all firms will be taken as the average market rate of cedar wood oil. The firms will be required to submit their audited balance sheets/trading accounts for the year latest by May end of the following year. The royalty rates will be fixed in June. However fresh rates arrived in June will be applicable w.e.f. 1st April of that year and will be valid for three years.

5a(ii) That the weighted average oil yield for calculation of royalty rate will be taken at 4.82%.

5a(iii) That the sale realization from quantity of cedar wood stumps would be worked as under:-

Sale realization per quintal of deodar stumps = Weighted average sale rate per Kg of cedar wood oil x 4.82%

5a(iv) That the 20% of the sale realization per quintal of deodar stumps as calculated at 5(iii) above will be fixed as royalty rate per quintal of stumps.

5(b) That the Himachal Pradesh Forest Department will collect from the "Buyer" the costs to be incurred by it, based on departmental schedule of rates for digging extraction, carriage (upto) Pucca loading point- (PLP) and for the required rehabilitation of dug up pits (requiring refilling consolidation, surface do up and planting of three plants in lieu of each stump) where the deodar stumps existed.

5(c) That the Himachal Pradesh Forest Department will extract the stumps and supply these to the "Buyer" at the cost of "Buyer" at the nearest Pucca loading points, to be specified by the Forest Department at its sole discretion and the "Buyer" will have to lift the stumps from such specified point only.

6(a) That the "Buyer" will be required to place, before 1st April, annually, an indent, with the department, of the quantity of deodar stumps required and will have to pay

3.

No 0321525 2017 Himachal Government Judicial Paper

the cost of extraction of deodar stumps and related costs as detailed in clause 5(b) above, in three installments of 40%, 30% and 30% in the months of April, June and September respectively so that expenditure on extraction costs can be met.

6(b) That the "Seller" will hammer mark & serial number the stumps/pieces of stumps of deodar before handing over such stumps/pieces of stumps, to the "Buyer" after weighing it at pucca loading point. Any differential amount of royalty becoming due from the " Buyer" in excess to the advance royalty paid by the "Buyer" as also, any differential amount on account of extraction costs becoming due in excess of the installment(s) paid by the Buyer shall be recovered from the "Buyer" before delivery of stumps/pieces of stumps to him/them.

6(c) That the "Buyer" shall accept as final the costs, measurement, quantity and classification of the stumps handed over by the HP forest Department.

7. That all payment to be made by the "Buyer" shall be made to the Divisional Forest Officers (hereinafter called the "Forest Officer") of the concerned Forest Division through the Government Treasuries of Himachal Pradesh, or in the shape of a Bank Demand Draft obtained from any branch of a scheduled Bank, but payable in Himachal Pradesh at the head-quarters of the Forest Division concerned. No remittance in Treasuries outside Himachal Pradesh State will be accepted.

C.F. Mandi

8. That the "Buyer" shall furnish to the Chief Conservator of Forests/ Conservator of Forests,Mandi Circle and also to the concerned "Forest Officer" at the end of every six month of each financial year, a Utilization Certificate to be obtained from the District Industries Center, Himachal Pradesh stating therein the total quantity of raw material purchased, quantity used for the manufacture of deodar oil in the factory and the balance quantity in stock . In the event of non-furnishing of the Utilization Certificate, further supply of raw material shall be suspended, and shall be resumed only after the satisfaction of Conservator of Forests, Mandi-Circle, to this effect.

Partner

9. That the "Buyer" whether, registered as sales Tax assesses in Himachal Pradesh or not under the relevant Act will have to pay sales tax as liable under the relevant sales Tax Laws of the State. The said tax shall become payable and shall be charge pro- rata to the royalty; on the dates the royalty falls due irrespective of the fact whether the date for payment of royalty is extended for any reason. If the "Buyer" fails to deposit the sales Tax on the due dates, he shall be liable to pay a penalty at the rate of 18% per annum for the period of belated payment on such Sales Tax.

4.

The Buyer shall further to be liable to pay all such levies/ taxes as are payable in the State of Himachal Pradesh from the date on which the Agreement comes in force, or may become legally payable thereafter under any Act, Rules or Regularization.

10. That the "Seller" will hammer mark & serial number the stumps/pieces of stumps of deodar before handing over such stumps/pieces of stumps, after weighing to the "Buyer" at Pucca Loading Point. If the "Buyer" does not consume the whole wood obtained from the stumps marked and handed over to the "Buyer" during the particular year, the supply of deodar stumps in the following year will be reduced to the extent of wood left unused, unless the concerned Chief Conservator of Forests/ Conservator of Forests is satisfied that the extra quantity of wood can be consumed by the factory in the next year. Provided that the concerned Chief Conservator of Forests/ Conservator of Forests may extend such period of carrying over for a period of one year. Subject to satisfactory explanation being furnished by the "Buyer".

C.F. Mandi.

11. That the "Seller" does not hold himself responsible for the soundness or otherwise of any stump and will not give other stumps in exchange and the "Buyer" shall have no claim for the refund of the whole or part paid on this account or for stumps which turn out to be hollow or useless.

Partner

12. That the dispatch of the wood by land, shall be subject to such rules as the Government of Himachal Pradesh or any Department thereof may make under Section 41 of the India Forest Act,1927 (XVI of 1927) and, in the absence of such Rules, under such instruction as the "Forest officer" concerned may issue to the "Buyer". The "Buyer" shall also be liable to register in the office of the Forest Office the facsimile of his property mark, and to pay any and all fees prescribed by the Government of Himachal Pradesh from time to time.

13. That the Buyer shall not be permitted by the Forest Officer to remove wood from Pucca Loading Point to the factory site without making payment of the amount due at a time during a year

"Ek Buta, Beti ke Naam"-Yojna

Hon'ble Chief Minister's Budget Speech 2019-20(Para 70)

1. Introduction

Rapidly increasing population, urbanization and industrialization has placed great stress on our natural resources. Forests being one of the important natural resources have also not been left unaffected from this pressure. In fact, forests are probably bearing the most brunt of this all round development and increased demands on our natural resources.

As per the National Forest Policy, one- third of the total land area of the country should be under forest and tree cover in order to prevent erosion and land degradation and also to ensure the stability of the fragile eco-system. However, currently only 28.60% of State's geographical area is under forest and tree cover. Thus, we are faced with challenge of not only preserving our existing forest and tree cover but also to enhance the same as per the requirement of the National Forest Policy amidst the challenge of meeting ever increasing demands for forest land and forest resources due to increasing population.

A need is, therefore, increasingly being felt to involve all sections of society in management and protection of forest and wild life and also to educate the masses to develop an understanding as to how natural resources are important, why we need to conserve these and how such awareness can be created. It is believed that once this understanding develops, people will start actively participating in programs of forest and environmental conservation. In this direction it is imperative the action oriented programs are launched aimed at different sections of the society.

Also, the society need to be made aware of the rights of girl child and need to minimize the gender gap. The scheme envisages linking the sentiments of the communities to foster their commitment to nurture both the girl child and the plant (sapling).

2. The Scheme- Goal & Objectives:

It is believed that by planting a sapling in the name of a girl-child and with the effort of nurturing each sapling into a tree, communities would be sensitized to be more committed towards the rights of the girl-child leading to realization of her full potential.

3. The Major components of the scheme are:

a) To gift a sapling to the family of each girl-child born anywhere in the state.

b) Sensitizing communities, about both the fragile gender balance and the ecological balance.

c) Motivating communities to pledge to nurture both the girl-child and the sapling, giving them opportunity to grow to their full potential.

d) Increase the green cover of the State through plantation of saplings every year.

4. The salient features of the scheme are as follows:

a) Upon the birth of a girl-child anywhere in the State, the Forest Department will gift five saplings to the family, to be planted in their homestead/land or adjoining forest land or *Samriti Vatika*. The Department would also provide a 'kit' to the family containing instructions for plantation and maintenance, a plant guard (as per requirement), a package of vermicompost, and a name plate with new born's name painted on it.

providing a 'kit' containing good-quality tall plants (saplings), instructions pamphlets, plant guards, vermicompost package and name plate would be provided by the Forest Department. The plantation may be carried out once or twice in a year i.e. during monsoon or winter as per suitability of the locality.

(v) Site of Plantation

The plantation would be carried out in the homestead/land of the family of the new born girl child. In case the parents wish to plant trees in adjoining forest area, planting may be done in nearby "*Smriti Vatikas*" or adjoining forests.

(vi) Felling permission of trees planted in non-forest private land & Usufruct rights on trees planted in Government Forest Land

The trees planted under this scheme in private land will be exempted from seeking felling permission under section 4 read with section 7 of Himachal Pradesh Land Preservation Act, 1978. The felling would normally be allowed after plants attain the age of at least 17 years. However, harvesting of Bamboo species can be done after 4 years. Saplings planted by the parents in the name of girl child in the nearby forest area or *Smriti Vatikas* cannot be felled on attaining maturity, however the girl child and her parents will have usufruct rights on these trees to derive benefits such as fruits, flowers, leaves, fodder etc. obtained without harming the tree.

(vii) Technical Support

The Department shall extend technical support for effective implementation of this scheme and shall earmark some funds in lump sum towards the expenses for the following activities:

a) Outreach and Publicity

b) The families of new born girl child may opt for multiple value or commercial tree species for plantation in the name of newly born girl child.

5. Implementation Mechanism:

(i) Identification of the new born Girl Child

The representative of Forest Department would contact the Panchayat/Municipality officials in first week of every month to access details of the new born. The list would be compiled at the Forest Range level, till such time the plantation actually begins.

(ii) Supply of seedlings

Robust and healthy tall plants (saplings) of identified species would be gifted to parents of newly born girl-child during the planting season. It is estimated that currently there are about 37,500 births of girl-child annually in the State which is expected to grow annually @ 1.1%. Hence 1,87,500 seedlings would be provided to parents of new born girl-child @ of five seedlings each during the first year of initiation of the Scheme. Subsequently this number would grow year after year depending on growth rate of girl child. This effort would contribute towards enhancing the green cover of the State.

(iii) Choice of Species

The parents of the new born would be consulted for the choice of species. However, native, fast growing and species of multiple values like khair, daru, bamboo, walnut etc. would be raised in nurseries for this purpose.

(iv) Plantation of Saplings

To foster ownership of the plant, the planting would be done by the parents of the new born child. However, technical support like

The department may organize a State level launch function to launch the scheme and give wide publicity to it through print and electronic media. The Department may also organize outreach programmes in all 44 divisions.

b) Publicity Material

The department shall develop publicity material for distribution amongst the participating families. The Forest Department will print booklets, prepare audio-visual material to disseminate information amongst communities.

c) Web portal

A Web portal shall also be developed by the department and linked to the website of the department. The information along with pictorials about the participating families, details of Girl child, species planted alongwith location and the areas covered by them under this scheme, success stories etc. shall be provided on this webportal.

(viii) Scheduling

Ist Year:-

i) Launch of scheme and outreach programmes.

ii) Distribution of 5 tall saplings including plantation kit during planting season of birth year to each of estimated 37,500 families during first year of initiation of this scheme.

iii) Plantation of the saplings by the respective parents under guidance and supervision of the concerned Forest Guard or Forest Worker.

iv) Protection and maintenance of plants by respective families of concerned girl child.

v) Record keeping by the concerned Forest Guard about the girl child, parents, location of plantation (geo-coordinates), species planted and status of their survival during subsequent years.

vi) The copy of the record shall be transmitted to the concerned DFOs who shall further transmit it electronically to the HPFD HQ for maintaining a Database by the Nodal Officer of the Scheme.

vii) The Nodal Officer shall be appointed by the PCCF(HoFF) for this scheme who will coordinate and guide the field officers for effective implementation of this scheme. For maintaining database on long term basis, Nodal Officer will take assistance of the IT Cell of the Department and if required a small application can be devised to capture data in uniform format and its easy access.

2nd to 5th Year:-

i) Distribution of 5 tall saplings including plantation kit during planting season to the parents of gild child born during 2nd Year and subsequent years on similar lines.

ii) Plantation of the saplings by the respective parents under guidance and supervision of the concerned Forest Guard or Forest Worker.

iii) Maintenance of saplings by the families during the year of planting and subsequent years.

iv) Replacement of saplings which shall die during 2nd year of plantation or subsequent years as the case may be.

v) Record keeping by the concerned Forest Guard as narrated above.

vi) Maintaining and updating database on regular basis by the designated Nodal Officer.

(ix) Monitoring

The HP Forest Department would maintain record of all such saplings planted and details of beneficiaries as narrated in above mentioned paras. It would be desirable for the Department to have the GPS coordinates of the saplings planted. The Department would also provide technical support to the family for maintenance of these saplings. The plant-survival record will also be maintained electronically at the level of Nodal Officer in the Himachal Pradesh Forest Department HQ.

6. Scheme Period

The period of this scheme will be for five years starting from 2019-20 and subsequent two years will be considered only to supply saplings for replacement of died plants. The saplings would be distributed during each of the first five years and subsequently the only saplings for replacement of died plants shall be provided in subsequent years upto maximum two years. Also, to build in the learning from the implementation of the Scheme, it will be reviewed in the 5th year and necessary modification, if any, would be incorporated and Scheme can be extended further with the prior approval of the Government.

7. Budgetary Outlay for the Scheme

The total likely outlay of the scheme, spread over five years will be approximately ₹ 35.33 Crores. However, as the Scheme will undergo a mid-term appraisal, the costing may undergo change based

on the decision taken after this appraisal. The details of estimated expenditure is given as under:

a) Assuming annual increase in growth of birth rate of girl child @ 1.10%, about 11.50 Lakhs tall saplings would be required in the scheme. This would entail an expenditure of approximately ₹ 6.33 Crores. The details of estimated number of girl child born during the scheme period and the estimated details of saplings required are given in the table enclosed as **Annexure-A.**

b) The Cost of kit @ ₹ 1500/- for 191673(estimated no. of newly born girl child during scheme period) families in this scheme would be ₹ 28.75 Crores. The breakup of cost of kit is as under:

Items	Plant Guards @ 5 no. in each Kit	Vermicompost approx.20 kgs.	Name Plate, instructions pamphlet	Transportation costs including Tall Plants with bags
Costs (L/s in Rs)	1000	150	100	250
Note: Costs are indicative which might change as per the requirements on site.				

c) There would be an expenditure of estimated ₹ 25 Lakhs on launch, publicity and outreach programme under this Scheme.

The total estimated expenditure for the scheme period would be ₹ 35.33 Crores.

HIMACHAL PRADESH FOREST DEPARTMENT
VIDYARTHI VAN MITTER YOJNA

(A scheme for creating awareness among school children about protection of forests & environment through their active participation in tree plantation and protection)

(Ref: Para 67 of Budget Speech, 2018)

1. Introduction

Rapidly increasing population, urbanization and industrialization has placed great stress on our natural resources. Forests being one of the important natural resources have also not been left unaffected from this pressure. In fact, forests are probably bearing the most brunt of this all round development and increased demands on our natural resources.

As per the National Forest Policy, one-third of the total land area of the country should be under forest and tree cover and in mountainous regions, two-third of the geographical area is required to be under such cover in order to prevent erosion and land degradation and to ensure the stability of the fragile eco-system. However, currently only 28.60 % of State's geographical area is under forest and tree cover. Thus, we are faced with the challenge of not only preserving our existing forest and tree cover but also to enhance the same as per the requirement of the National Forest Policy amidst the challenge of meeting ever increasing demands for forest land and forest resource due to increasing population.

A need is, therefore, increasingly being felt to involve all sections of society in management and protection of forest and wildlife and also to educate the masses to develop an understanding as to how natural resources are important, why we need to conserve these and how such awareness can be created. It is believed that once this understanding develops, people will start actively participating in programs of forest and environmental conservation. In this direction it is imperative that action oriented programs are launched aimed at different sections of the society.

A Scheme to strengthen participation of local communities in conservation and development of forests through plantation of useful plant species is already in the pipeline and likely to be launched soon. Students form a very important and crucial stakeholder group as the values about nature conservation they imbibe during their studies are likely to remain with them throughout their lives. It, thus, become important to sensitize this stakeholder group at young age so that they grow into environmentally sensitive and responsible citizens. Once sensitized, they are also likely to act as an important and effective source for spreading the message of forest and environmental conservation. A good beginning has already been made to involve students in plantation drive under the aegis of H.P. State Legal Services Authority, where under 11,11,656 number of plants have been got planted through school students over the past 4 years.

In this backdrop, the Government of Himachal has conceived a new Scheme titled **"Vidyarthi Van Mitter Yojna"** focused at school students, for actively involving them in forest conservation and development.

2. The Scheme - Goal & Objectives

Students can be the best ambassadors to put across and spread any useful message about the imperatives of Nature conservation to the society. The prime goal of this scheme is to take advantage of this fact by inculcating awareness among school children about the

importance of forest and environmental conservation by actively involving them in raising and protection of forest plantations and thereafter motivating them to act as agents of change through dissemination of this awareness among people at large. The scheme will also help children in understanding various issues and problems concerning protection and management of forest through hands-on experience of raising and protecting plantations and make them think of solutions.

The major objectives of the scheme are as follows:-

- To educate and sensitize students about the importance of forests and their role in environmental conservation.
- To inculcate in students a sense of attachment towards nature conservation.
- To motivate students in sensitizing communities towards conservation and protection of forests.
- To enhance forest cover in the state through plantations.

3. Key Components of the Scheme

The Key Components of the Scheme are:

- Identification of participating schools in various parts of the State, preferably having an established and active eco-club.
- Identification of suitable open/ degraded forest areas around selected schools for development into forest.
- Developing the capacity of students in growing and protecting forests over the designated forest land.
- Planting of suitable indigenous tree species and their maintenance and protection by the students.
- Facilitating development of a sense of contribution & association among the students with the plantations raised and encouraging them to carry forward the message about importance of protection of forest and environment.

The students will not only plant trees in the area earmarked for their school but will also maintain this plantation area on a long term basis. As the plants grow, this association with the plantation will develop into a sense of achievement towards greening of the State among them. The students will also be able to cherish this experience of plants planted by them growing into trees and ultimately into forests.

4. Stakeholders

a) **Forest Department**
The Forest Department will be one of the main stakeholders providing funds, technical knowhow, identifying sites and preparing the site under this scheme.

b) **HP State Legal Services Authority**
HP State Legal Services Authority is already coordinating an afforestation campaign along with Forests and Education Departments since the year 2014-15 involving schools across the State and will continue to coordinate and extend support under the ambit of this scheme.

c) **Judiciary**
The Judicial Officers of lower courts (District and Sub-division level) will play a major role in coordinating the afforestation campaign under this scheme with active involvement of the Education and Forest Departments.

d) **Education Department**
The Education Department shall play a vital role in the active involvement of Government School students from Class VI onwards.

Apart from these WWF Himachal Chapter, and other civil society organizations will continue to be actively involved in implementation of the scheme.

5. Implementation Mechanism

The scheme shall be implemented as follows:

a) **Nodal Officers in the Forest & Education Departments**

i) **State Level Nodal Officers**
The Forest department will designate a Coordinating Officer at HPFD HQ level who should preferably be CCF/APCCF (Finance). Similarly, the Education Department will also designate a Coordinating Officer at Directorate level preferably the Additional Director. The Member Secretary, HP Legal Services Authority shall coordinate with these State Level Coordinating Officers for implementation and monitoring of the Scheme.

ii) **District Level Nodal Officers**
The Deputy Director, Higher Education and Deputy Director Elementary Education shall be designated as Nodal Officers at District Level in the Education Department and similarly the DFOs of concerned Forest Divisions in the Forest Department shall be designated as Nodal Officers at District level. The Divisional Forest Officers, will actively involve the schools in the implementation of the scheme under the guidance of the concerned Conservators of Forests. The Judicial Officers at District level shall coordinate the programme.

iii) **School Level Nodal Officers**
In the Education Department, a teacher will be declared as Nodal Officer by the School Headmaster/Principal in consultation with the concerned Deputy Director for the purpose of implementation of this Scheme.

b) **Identification of participating Schools:**
About 3100 Eco Clubs have been established in the Schools across the State under the National Green Corps (NGC- Eco Club) Programme started by the Ministry of Environment, Forests and Climate Change, GOI aiming to build environmental consciousness in young minds. It would be advantageous to cover such schools under this Scheme in view of their readiness as these are already engaged in carrying out various activities concerning forest and environment protection and awareness. Also the funds received by these schools from GOI can also be used to supplement the afforestation activities. Therefore, this scheme will be implemented through Eco-Clubs established in most of the schools in the State. At the first instance, preference in selection will be given to those schools having Eco Clubs and which are already involved in the ongoing afforestation campaign coordinated by the HP State Legal Services Authority. However there will be no bar in selecting those schools where such clubs are not in existence but actively involved in ongoing afforestation campaign coordinated by the HP State Legal Services Authority. Involvement of such schools shall be done in a manner as described in the scheme. The DFOs concerned will contact the District level Nodal Officer(s) of Education Department and will finalize the list in consultation with them. The District level Nodal Officer(s) in the Education Department shall inform the concerned School Headmaster/Principal about inclusion of their School under this scheme. The list of participating schools will be sent by the DFOs through their Conservators of Forests to the Coordinating Officer in the HPFD

the fenced area shall be recorded and polygons prepared for satellite based monitoring and (c) handed over to the designated school for planting and maintenance.

b) Afforestation Plan for the selected site(s):

Before the start of the work, the school, through its Teacher declared as Nodal Officer will prepare a site specific technical plan for the selected site in consultation with concerned DFO through Range Officer. This plan will set out detailed work schedule of activities to be undertaken, species to be planted and the cost projections based on departmental norms i.e. applicable schedule of rates of Forest Department. Broadly the following activities shall be included in the plan.

- **Preparation of site & fencing**
- **Development and maintenance of nursery**
- **Pit digging and planting**
- **Maintenance of plantation**
- **Annual function**
- **Publicity & Awareness**

The activities such as pit digging, planting and maintenance will be carried out by the participating School students. The costs for these activities shall be built in this plan. No wages on this account shall be payable to the students. The admissible expenditure to be incurred by the participating Schools for carrying out these activities shall include cost of planting tools/equipments, transportation costs for students, if required, cost of local farm yard manure/vermicompost and light refreshment. The planting tools/equipments will be procured by the schools onetime and shall be properly stored and maintained. Replacement will be allowed only in case of those tools/equipments which are rendered unserviceable. No TA/DA will be charged in respect of any of the officers/officials of Education Department, Judiciary and Forest Department. Thus the costs for these activities shall be fixed in lump sum about Rs 30 per plant including maintenance over the next five years. Out of this, Rs 20 per plant can be incurred in the year of planting and the balance Rs 10 per plant shall be incurred for maintenance over the next five years on an average of Rs 2 per plant per annum as per the requirement in each year.

This technical plan will be approved by the concerned DFO and a MoU will be signed between the DFO and the school authorities. Plants for planting will be provided by the Forest department. However, schools will be encouraged to take up raising of small school nurseries by the students themselves at a later stage. The Schools shall be encouraged to establish their own Vermi Compost Units. The department shall augment the existing nurseries with the funds under this scheme and can also raise plants in nurseries under other existing schemes or under Externally Aided Projects to supplement the supplies of seedlings for planting by the schools, if funds are found inadequate for raising nurseries under this scheme.

The Forest Department will provide all necessary technical knowhow and guidance to the school in implementation of the scheme.

The planted area will be maintained by the school for which the school will undertake all activities like maintenance of fence, weeding, watering, hoeing, replacement of causalities etc. as set out in the technical plan. In addition to the tree species planted at the first instance, the schools will be encouraged to enrich the plantation area with species of medicinal/ NTFP importance to make the plantation a multi-layered forest in subsequent years.

The cost structure and activities as listed in the technical plan will be in consonance with the corresponding plantation schemes of Forest Department. The costing of the plan will be based on the applicable schedule of labour rates of Forest Department as per the existing norms. At every increase in labour rates by the Government of Himachal Pradesh, the cost structure will be revised and funds will be incurred accordingly.

The Forest area and plantation will continue to be under the ownership and control of Forest Department as hither to before. If any local community has a right in the selected area, then the same shall continue to exist subject to regulations of Forest department. The department will take cognizance of forest offences, if any, detected the selected area.

The Forest Department Officers/Officials as well as the officers from Judiciary shall keep inspecting the plantation sites covered under this scheme. Shortcomings, if any shall be pointed out during the inspections and the concerned School shall be requested to address these shortcomings. The Forest Department shall provide necessary guidance.

i) Awareness Generation

The students shall be taken on exposure visits in the nearby areas. The Forest Department Officials shall give talks to the students about technical knowhow of planting techniques, ecological functions of the plants to generate awareness.

j) Technical Support

The department shall extend technical support for effective implementation of this scheme and shall earmark some funds in lump sum towards the expenses for the following activities:

- ***Annual Function***
  The department may organize an annual function to recognize the efforts made by the participating schools. The best schools can be awarded in this annual function.
- ***Publicity Material***
  The department shall develop publicity material for distribution amongst the participating schools. The Forest Department will print booklets, prepare audio-visual material to disseminate information amongst students.
- ***Webportal***
  A webportal shall also be developed by the department. The information along with pictorials about the participating schools, students, the areas covered by them under this scheme, success stories etc. shall be provided on this webportal.The database maintained by the department shall also be uploaded on this webportal so that public have access to the data base.

6. Scale of Implementation:

This scheme shall initially cover those schools having Eco Clubs and involved in the afforestation campaign during the first phase of five years. The scheme would be reviewed after five years and plan for involving more schools shall be worked out. Maintenance in areas already covered under afforestation campaign included areas will continue.

Those schools not having Eco Clubs but are keen and have already done some afforestation activities under the Afforestation Campaign shall be encouraged for formation of Eco Clubs to obtain grant from the MoEF& CC, GOI under the National Green Corps Programme so that they are able to demonstrate their participation and do better in afforestation activities.

The section 3(2) of the Forest Right Act. 2006 envisaged that all developmental activities must fulfill the conditions under Section 3(2) of the F.R.A. which are given as under:-

1. The facilities managed by the Government Department.
2. Diversion of less than one hectare of forest land is involved.
3. Cutting of not more than 75 trees.
4. Recommended of the Gram Sabha.
5. This facility is limited to the 13 items listed under section 3(2) of the FRA which are as follows:-
   a) Dispensary orhospital.

357

b) Aanganwadis,
c) Fair priceshops,
d) Electric and telecommunication lines,
e) Tanks and others minor water bodies;
f) Drinking water supply and water bodies,
g) Water or rain water harvesting structure,
h) Minor irrigationcanals,
i) Non –Conventional source of energy,
j) Skill up –gradation or vocational training centers,
k) Roads, and
l) Community Centers,

3. Clearances of development project under Section 3(2) are subject to the Condition that the same is recommended by the Gram Sabha While obtaining the Gram Sabha that no rights Under FRA are likely to be affected by such diversion. It needs to be ensured that no rights are affected or any Forest dweller is evicted due to the diversion of forest land. It has also been noticed that in some cases forest Land diverted under section 3(2), they may accord first condition in the order that legal status of Forest land will be remain unchanged. In case, that forest land has been mutated in the name of User Department, the same may be reverted back to Forest Department.

4. It may also be kept in view that none of the cases of violations of Roads Noticed in addition to 2183 roads already listed for which Hon'ble High Court of H.P. has issued separate Instructions, be dealt under FRA, 2006, and those cases must be processed under provision of FCA, 1980 Irrespective of the extent of area involved.

5. It is requested that above clarification may be implemented in letter and spirit and for any breach of conditions and deviations it will be the sole responsibility of the approving authorities, i.e. DFO's.

Government of Himachal Pradesh
Department of Forests

No. FFE-B-A (3) 4/2015 Dated: Shimla-2, the 26 February, 2016

Notification

Whereas, the draft Himachal Pradesh Forest (Timber Distribution to the Right Holders) Amendment Rules, 2015 were published in the Rajpatra, Himachal Pradesh on 15-09-2015 vide Notification of even No. dated 03-09-2015 for inviting objection(s) and suggestion(s) from person(s) likely to be affected thereby within a period of 30 days from the date of their publication;

Whereas, no objection(s) or suggestion(s) from any interested person(s) has/have been received by the Principal Chief Conservator of Forests (HoFF), Himachal Pradesh within the above stipulated period;

Now, in exercise of the powers conferred by clause (L) of section 32 of the Indian Forest Act, 1927 (16 of 1927), the Governor of Himachal Pradesh is pleased to make the following rules further to amend the Himachal Pradesh Forest (Timber Distribution to the Right Holders) Rules, 2013 notified vide Notification No. FFE-B-E(3)43/2006-Vol-II, dated 26-12-2013 and published in the Rajpatra, Himachal Pradesh on 28-12-2013, namely:-

Short title and commencement. 1. (1) These rules may be called the Himachal Pradesh Forest (Timber Distribution to the Right Holders) Amendment rules, 2016.

(2) They shall come into force from the date of their publication in the Rajpatra, Himachal Pradesh.

Amendment of rule 2 2. In rule 2 of the Himachal Pradesh Forest (Timber Distribution to the Right Holders) Rules, 2013 (hereinafter referred to as the "said rules"), for clause(e), the following clause shall be substituted, namely:-

"(e) Timber Distribution Rights means right of a Right Holder having cultivable land, acquired only through inheritance, for grant of timber for construction, repair and addition or alteration of residential house and cow shed for bonafide domestic use of the Right Holder as recorded in the Forest Settlement Report of the area concerned:

Provided that no person who have purchased land for construction of residence, cultivation or any other allied purpose settled from outside in the revenue estate shall be entitled for Timber Distribution rights".

Amendment of rule 3. 3. In rule 3 of the said rules, for clauses (ii) and (vi), the following new clauses (ii) and (vi), shall respectively be substituted, namely:-

"(ii) in case Right Holder has land holding which qualifies him for grant of timber at more than one place, he may be granted timber only at one place where he actually resides;

(vi) timber shall not be granted to the Right Holders, if salvage trees for the purpose are not available in the forest where concerned Right Holders have Timber Distribution rights".

Amendment of rule 4. 4. In rule 4 of the said rules, for sub rule (2), the following sub-rule shall be substituted, namely:-

"(2) Trees shall be given from salvage (fallen, dry standing) trees. No green standing trees shall be granted to the Right Holder".

Amendment of rule 5. 5. In rule 5 of the said rules, in clauses (i) and (ii), for the words "fifteen years" and "five years", the words "twenty years" and "ten years" shall respectively be substituted.

Substitution of rule 7. 6. For rule 7 of the said rules, the following rule shall be substituted, namely:-

"7. **"Procedure for grant of trees.** The Right Holder may apply for grant of trees on Annexure-I to the Gram Panchayat concerned after getting necessary remarks from the Patwari concerned about his land holding acquired through inheritance and rights. The concerned Gram Panchayat shall scrutinize the applications for making recommendations after ascertaining the genuineness of the requirement of the Right Holders. The recommendation shall be made in the form of a resolution of the Gram Panchayat. Thereafter, Right Holder shall submit his application to the Forest Guard of the area who shall enter the same in the register maintained for the purpose and shall acknowledge the receipt of the application to the Right Holder and shall send the application with his recommendations to the Block Officer after ascertaining the genuineness of demand, who in turn shall submit the application alongwith his recommendations to the Range Officer. The Range Officer shall forward the same with his recommendations to the Divisional Forest Officer. After receipt of application from the Range Officer,

the Divisional Forest Officer shall take action for grant of the trees after satisfying himself about the genuineness of the requirements and availability of salvage trees in the concerned forest and intimate his decision to the Right Holder concerned as per Annexure-II appended to these rules".

Amendment of rule 12. 7. In rule 12 of the said rules, after the words and sign "Thereafter, "another," the word "salvage" shall be inserted.

Substitution of rule 14. 8. For rule 14 of the said rules, the following rule shall be substituted, namely:-

"14 **Penalties.-** If any Right Holder, contravenes any of the provisions of these rules, except rule 3(ii), in utilization of timber obtained, his rights shall be suspended for next twenty years. In the case of contravention of rule 3(ii), Timber Distribution Rights of such Right Holder shall be suspended permanently. The Right Holder, in addition to the above penalty; shall also be liable to pay the cost of the tree at the market rate.

Substitution of Annexure-I 9. For annexure-I annexed to the said rules, the following Annexure shall be substituted namely:-

"Annexure-I

Addl. Chief Secretary (Forests) to the
Government of Himachal Pradesh.

Notification: - PARTICIPATORY FOREST MANAGEMENT RULES –2001

(Authoritative English text of this Department Notification No. Fts-II (B)15-10/87 Dated 23.8.2001 as required under clause (3) of article 348 of the Constitution of India)

NOTIFICATION

No. Fts. II (B) 15- 10/87 Dated 23.08.2001

In exercise of the powers conferred by section 80 read with section 81 of the Indian Forest Act, 1927 (Act No. XVI of 1927), the Governor, Himachal Pradesh is pleased to make the following Regulations, namely:

1. Short title, application and commencement:

(1) These Regulations may be called the Himachal Pradesh Participatory Forest Management Regulations, 2001.

(2) They shall apply to such Government forests and such Government land including the common land, which shall be selected jointly for participatory forest management by the Society and the Department.

(3) They shall come into force from the date of publication in Rajpatra, Himachal Pradesh.

2. Definitions:

In these Regulations, unless there is anything repugnant in the subject or context, -

(a) "**Act**"means The Indian Forest Act, 1927 its application to Himachal Pradesh;

(b) "**Conflict Resolution Group**" means a group consisting of a representative of the concerned Gram Panchayat, a representative of the local non-government organizations or local community based organizations and the concerned Assistant Conservator of Forests;

(c) "**common land**","**family**","**GramPanchayat**", **Panch**""**Pradhan**"", "**village**" and**Ward**" "shall have the meaningsneedto them in the Himachal Pradesh Panchayati Raj Act, 1994 (Act No. 4 of 1994);

(d) "**Department**" means the Himachal Pradesh Forest Department;

(e) **''DivisionalForestOfficer**meansin- charge of forest territoritorial officeor wildlife forest division of the Department;

(f) "**Executive Committee**" means executive body of the committee.

(g) "**Forest Officer**" means a Forest Officer-section(2)of as de section 2 of the Act;

(h) "**General House**" means houseGeneralof the Society.

(i) "**Government**" means Government of Himachal Pradesh.

(j) "**Grazier group**" means a group of persons, w migratory graziers, who are dependent on the grazing resource in the selected area for meeting their livelihood needs;

(k) "**Micro- plan**", means a holistic forestof mana the area selected for participatory management;

(l) "**Participatory forest management**" means management of Government forest and Government land including common land managed jointly by the Society and by the Department;

(m) "**Selected area**" means any Government forest a common land selected under regulation 3 of these Regulations;

(n) "**Self help group**" means any organized group of persons, who collectively by mutual help are able to enhance their economic status through resource based activities;

(o) "**Site specific plan**" means a sub component-planwhichisa of t technically appropriate plan for the site;

(p) **"Society**"means village forest developmenof the Societies Registration Act, 1860 (Act No. 21 of 1860) for participatory forest management;

(q) "**Sustainable forest management**" means management whic viable, environmentally benign and socially beneficial, and which balances present and future needs; and

(r) "**User group**" means a group of persons dependent upon common natural resource for sustaining its livelihood needs.

3. Intent of participatory forest management:

(1) On an application made to the Divisional Forest Officer signed by at least 50 percent of the voters of a Gram Panchayat Ward, any Government forest and Government land including common land may be brought under participatory forest management. The land so identified shall be known as selected area.

(2) In accordance with the wider objectives and plans of Government for

sustainable forest management, the selected area shall be managed jointly by the Society and the Department on the terms and conditions of an agreement to be entered between the Society and the Department.

4. Village forest development society:

(1) There shall be a Society for a Gram Panchayat Ward. However, where the Ward is not compact and the hamlets within it do not have common forests, common grazing lands, common rights and concessions more than one Society may be formed for each cluster of hamlets. The Society shall be registered under section 3 of the Societies' Registration Act,

(2) All voters of a Gram Panchayat Ward shall be entitled to be enrolled as members of the Society.

5. Constitution of Executive Committee of the Society:

The Executive Committee shall consist of -

a) President to be elected by the General House;
b) Vice President -do-
c) Four Members -do-
d) Treasurer to be nominated by the elected members from amongst the members of the Society;
e) Joint Secretary (woman) -do-
f) Ward Panch ex-officio member;
g) President - Mahila Mandal -do-
h) Representative - Local women group -do-
i) Three Members to be co-opted from the village level committees constituted by other departments of the Government, societies registered under the Societies Registration Act, 1860, (Act No. 21 of 1860) , user groups, self help group and grazier group;
j) Member- Secretary to be elected by the General House. Provided that at least 7 members of the Executive Committee shall be from amongst the women. Joint Secretary shall assist the Member-Secretary.

6. Term of office of members of the Executive Committee:

Elected members of the Executive Committee shall hold office for a period of two years from the date of assumption of office.

7. Powers of the Executive Committee:

The Executive Committee shall exercis assigned by the Government under the Act.

8. Usufruct Sharing:

The Society shall be entitled to the following benefits, namely :-

a) to collect the yield such as fallen twigs, branches, loppings, grass, fruits, flowers, seeds, leaf fodder and non timber forest products free of cost;

b) to the sale proceeds of all intermediate harvest, subject to protection of forest and plantations for at least 3 years from the date of agreement;

c) to organize and promote vocational activities related to forest produce and land; and other activities such as promotion of self help groups which may provide direct benefits, including micro-lending to women. None of the activities so promoted shall affect the legal status of the forest land;

d) recorded rights over the forest shall not be affected by these benefits;

e) the Government shall charge no royalty on the forest produce within the selected area;

f) after 5 years, the Society may expand the area, on the basis of a fresh agreement deed, by inclusion of adjoining or nearby areas;

g) after 20years from the date of agreement and, based on the principles of sustained forest management, 75 percent of the net sale proceeds from the selected area shall be put into the account of Society and the remaining 25 percent of the net sale proceeds shall go to the concerned Gram Panchayat; and

h) To utilize at least 40 percent of the net sale proceeds on forest regeneration activities including soil and water conservation. Provided that for the purpose of usufruct sharing, family shall be one unit.

9. Funds:

Funds shall be generated by the Society through contributions by members and the sale of usufructs under these regulations. All funds, including those received from the Government, Gram Panchayats and non-government sources shall be utilized through the micro-planning process.

10. Maintenance of Accounts: The sum received by the Society shall be depositedin the name of the concerned Society in a nationalized bank or scheduled bank or co-operative bank or post office and the account shall be operated under the signatures of the President, Treasurer and Member-Secretary of the Society.

11. Grant-in-Aid: The department shall release Grant-In- Aid to the Society underthe Grant-In-Aid Rules subject to the availability of funds and satisfactory performance of functions by the Society.

12. Settlement of Dispute: In case of any dispute in relation to usufruct sharing in theSociety, the Deputy Ranger concerned of the Department, shall take steps to reconcile the dispute. In case the dispute is not resolved, the Deputy Ranger shall refer the dispute, along with his report to the Range Officer concerned of the Department. The Range Officer, after hearing the

parties, shall resolve the dispute within 30 days from the date of receipt of report of the Deputy Ranger.

13. Appeal: An appeal shall lie from the decision of the Range Officer to theConflict Resolution Group to be filed within 30 days from the date of decision, who shall decide the same within 60 days from the date of filing of appeal, after affording an opportunity of being heard to the parties. The decision of the Conflict Resolution Group shall be final and binding on the parties. The Conflict Resolution Group shall send a copy of the decision to the Society and the Divisional Forest Officer concerned free of cost.

14. Preparation of micro-plans:

(1) A micro-plan shall be prepared for the holistic forest management and development of the selected area, by the Society. The Department shall help the Society in preparation of the micro-plan. A micro-plan shall be operative for a period of five years from the date of its approval by the Divisional Forest Officer and may be revised after three years. The micro-plan shall be passed in the general house with at least 60 percent majority of the members present.

(2) The Divisional Forest Officer may approve whole or part of the micro-plan.

15. **Powers of the Government:** Notwithstanding anything contained in theseregulations, the Government shall have the powers to issue directions to the Society on participatory forest management processes, micro-planning, co-ordination, monitoring, and grant -in -aid and implementation mechanisms.

BY ORDER

FC-cum Secretary (Forests) to the
Government of Himachal Pradesh

HIMACHAL PRADESH FOREST DEPARTMENT
SAMUDAYIK VAN SAMVARDHAN YOJNA

(A scheme to strengthen participation of local communities in conservation and development of forests through plantation of useful plant species)

1. Introduction

Himachal Pradesh has total geographical area of 55673 sq. km. out of which 37033 sq. km is legally classified as forest forming about two third of the total geographical area. The actual forest cover is though only 27.12 %. The forest wealth of the state plays a crucial role in meeting a large part of the daily requirements of fuel wood, fodder, small timber and fruits etc. of the rural communities. A large number of rural households also collect a variety of medicinal herbs from the forests for generating a substantial portion of their cash income. In addition many other prime growth sectors of States economy like hydro- electric tourism. Irrigation. Drinking water supply and horticulture also have a direct stake and linkage in the conservation and integrity of the States forest cover for their continued growth. From the national perspective also situated as it is in the fragile Himalayan region, a good forest cover in the State has a strategic role in flood control water regulation and climate mitigation in the neighboring States.

The increasing population and the development needs has brought the forests under tremendous stress. There is an imminent need to maintain the integrity of the existing forest cover on one hand, and to bring more areas under forest cover on other to meet the growing environmental, ecological and social challenges. Under the Sustainable Development Goals (SDGs), the State government has set an ambitious target of bringing 30% of States geographical area under tree cover by 2030. Most of the culturable forest land now available for afforestation lies in the vicinity of villages and habitations facing tremendous biotic pressure. Bringing such land under forest cover without active involvement of local communities may not be successful. It, therefore becomes imperative to involve local communities and have long-term partnership with them for afforesting such land. This partnership with the local communities will go a long way in meeting the SDGs in improving the environment and in enhanced ecosystem services to the local people.

2. The Scheme - Goal and Objectives

The State of Himachal Pradesh has its very large population living in rural areas with traditional bond with nature. This bond needs to be rejuvenated and strengthened towards sustainable flow of ecosystem services from forests, so essential to fulfill day-to-day- household needs of the rural communities. The **"Samudayik Van Samvardhan (SVSY)** Scheme envisages **Yojna"** rejuvenating this bond by strengthening participation of local communities in conservation and development of forests through plantation of useful plant species and communities is believed toresult in achieving the twin objectives of improving the quality. Communities is believed to result in achieving the twin objective of improving the quality of forest and increasing the forest cover leading the enhancement of Eco System Services and also playing a pivotal role in rural economy.

The major objectives of the scheme are as follow:

- Scheme shall aim to provide maximum economic benefit to the member of JFM/VFDSs in the form of valuable Forest Products and other usufruct yielding high economic returns in the market as well as productive usage water.
- To improve the flow of ecosystem service from the forest around villages through community-based management of the designated forest.

- To enhance the forest cover in the state on forest land lying in the vicinity of villages through planting of tree species of local importance.
- To rejuvenate the traditional village level institutions related to conservation and sustainable use of natural resources through awareness, education and organization of village communities.

3. Key Components of the Scheme

The key components of the scheme are:

- Identification of suitable open degraded forest area around selected villages for development into forest through active participation of participating Community User Groups
- Strengthening of the capacity of the selected community user groups in development and long term management of forests over the designated forest land.
- Planting the suitable tree species of local importance to ensure sustained and enhanced flow of ecosystem services to the participating community user group.
- Facilitating development of community user group based mechanism towards sharing of ecosystem services from the designated forests and building capacity of the community user groups for putting such mechanisms in place

In the first instance the institutions like Joint Forest Management Committees (JFMCs), Village Forest Development Societies (VFDs) already existing in the State under the instrument of Participatory Forest Management (PFM) Rules 2001, shall be strengthened under this scheme. The successful implementation of the scheme will result in enhanced the sustained flow of grass, leaf fodder, fire wood, small timber and NTFPs to the participating community user groups towards fulfilling their day-to-day household needs and in generating cash income for better livelihoods,

Therefore the following will be the distinct components of this Scheme:

3(a) Organizing and Managing JFMCs/VFDSs

(i) Maintaining database and categorization of JFMCs/VFDSs

About 2000 to 3000 JFMCs/VFDSs have been constituted under various projects and schemes in the State of Himachal Pradesh over the years. Some of these still be active and functioning. Some have become dormant after the culmination of the projects and schemes. All these JFMCS/VFDSs shall be brought under the ambit of this Scheme and their database shall be maintained at HP Forest Headquarter level. Based on their activeness, these will be divided into three categories as Category **A** (very Active), **Category B**(Moderately Active) and **Category C** (Dormant). A computer based application (software) shall be developed by thedepartment to maintain the database.

(ii) Nodal Officer at State Level

A senior officer shall be declared as Nodal Officer in the office of PCCF(HoFF) at Forest Headquarter level. He shall be responsible to maintain the database and also oversee the overall implementation of the scheme in the State. The Nodal Officer shall keep regular communication with the JFMCs/VFDSs through the concerned DFOs. The field staff mainly the concerned Forest Guard shall keep in regular touch with the JFMCs/VFDSs for guidance.

(iii) State and District Level Seminars

The Nodal Officer shall organize State Level and District Level Seminars annually for the members of these JFMCs/VFDSs for information dissemination and knowledge sharing. This will

provide a common platform for the JFMCs/VDFSs to bring their issues for discussion and decision making.

(iv) Publication of Newsletter

A New letter shall also be brought by the Nodal Officer through the Publicity Division of the Department which shall be circulated amongst the JFMCs/VFDSs for knowledge update. The member of these JFMCs/VFDSs shall also be encouraged to write short articles and success stories in the Newsletter.

(v) Activities of JFMCs/VFDSs

The JFMCs/VFDSs shall be encouraged to take up other activities apart from those specified in this scheme by using their own funds or by taking loan. They can also take up activities under other scheme to increase their cash income.

(vi) Webpage/Website

A webpage/Website shall also be developed separately for knowledge updates, information dissemination and it will be linked with official web portal of the Government.

3 (b) Developing community plantation models through JFMCs/VFDSs

i) Identification of Scheme Sites:

All JFMCs/VFDSs formulated in the State of Himachal Pradesh shall be covered and brought under the ambit of this scheme in a phased manner. At the first instance, the scheme will be implemented in the village where JFMCs/VFDSs established under the PFM Rules are already functional. The constitution of the JFMCs will be reviewed and if need be, suitably modified to include right holders.

(ii) Identification and Allocation of Land Banks: Each selected JFMCs/VFDS communityuser group shall be allocated upto 50 hectare of open/ degraded forest land as close to the village as possible. The period of allocation shall be minimum 25 years and may be kept up to 35 years as some plantation models may take long time for successful establishment. The DFOs shall identify such land for each of the JFMC/VFDS selected by them. Each of the identified land banks shall be (a) properly demarcated on ground, and (b) fenced with barbed wire. Geo-coordinates of the fenced area shall be recorded and polygons prepared for satellite based monitoring.

iii) Development and Management of Land Bank: The JFMC will formulate ForestManagement Plan for the selected forest area. For initial mobilization of community member and facilitating formulation of Management plan a village Group Organizer will be identified and engaged by the JFMC/VFDS for a suitable period and funding support in the form of honorarium amounting Rs. 2000/- per month shall be provided under the scheme by the Forest Department. The Forest Guard and Block Officer of the selected forest area will be associated with the JFMC/VFDSs as technical members in the executive Committee. For providing technical input to the committee in the preparation of management plan as also for its implementation. One nominee of the local Biodiversity management committee (BMC) will also be associated as member of the Executive Committee of JFMC. The Technical Members will also ensure that the management plan is prepared in consonance with working plan prescriptions and other technical guidelines of the department The Block officer will also be the Treasurer of the JFMC.

The management plan will incorporate all works required to be undertaken for the conservation rehabilitation and improvement of selected forest area and major focus would be to raise various plantation models yielding high economic returns so as to provide economic benefits to the members of JFMC/VFDS. Some of the important species of commercial significance include Anardana(Punica granatum) Chilgoza (Pinus gerardiana), Burashphool (Rhododendron arboretum), Kafal (Myrica exculenta), Bamboo for baskets (Arundinaria spp: Dendrocalamus strictus), Chuli, Harar, Amla etc. The plantation of following types for higher economic returns is suggested.

(a) Maintaining high nutritional value & higher yielding Grass lands.

(b) Plantation high value Non-timber Forest Produce Species.
(c) Plantation of high value Fruits & Fodder Species.
(d) Medicinal plants of high economic value.
(e) Plantation of valuable timber species.

Some of plantation models of the types as suggested above shall take some time for successful establishment during the initial years. The management plan shall include the various components needed to develop such plantation models yielding high economic returns and enhancing water availability. The JFMCs/VFDSs shall also be allowed to develop plantation model having species of purely environmental and ecological importance, if they pass such resolution.

Amongst the planned activities, water conservation shall also be given high priority. The interventions required for water conservation such as Check Dams, Water Harvesting Structure, maintaining watershed for rejuvenating, Water Springs and Streams shall be provided in the plan which shall benefit in enhancing water availability for plantation, agriculture & horticultural crops and other productive usages. Wages for the activities planned in the Management plan shall be paid under this scheme in accordance with the provisions made in the plan as per department norms till successful establishment and reaching of these plantations in harvesting stage.

Other interventions like soil conservation measures, fire protection measures, removal of obnoxious weeds like lantana, development of multi layered forest, development of silvi pastoral areas etc. will be planned and proposed for the selected forest area. The plan will also incorporate community regulations with respect to fire protection and control, poaching,

collection and extraction of medicinal plants & grazing etc. which may have a bearing on the rehabilitation improvement of selected area. A detailed year wise work schedule required to be implemented along with its cost structure will be included in the plan. The financial projection in the management plan will be based on prevailing cost norms of Forest Department. The JFMC/VFDS may further identify user groups and incorporate their plans in the Management plan. In such an eventuality, the interventions connected with a user group will be implemented through the concerned user group under the overall supervision of JFMC/VFDS.

The management plan prepared by JFMC/VFDS will be submitted to the concerned Range Officer for its technical scrutiny. The Range Officer will evaluate the management plan technically and financially and will ensure that the proposals are in consonance with requirement of selected area. Objectives of the Scheme and overarching departmental guidelines. If the management plan requires some modifications, the Range Officer in consultation with JFMC will get those changes effected in the Management plan and then after recording his recommendation on the plan will return it to JFMC. The Management plan thereafter will be submitted to Divisional Forest Officer for final approval.

The Divisional Forest Officer after scrutiny, and if need be with modification will approve the Management Plan and will send the approved copy to the concerned JFMC. On receipt of approval of Management Plan, the JFMC will start implementation of the approved Management plan.

iv) Scale of implementation:

In the first year the scheme will be implemented in 20 selected locations in the state covering as many agro-climatic Zones as possible. The scheme will be up-scaled in a phased manner in subsequent year by bringing in new location each year. The annual Outlay of the scheme for subsequent years will be determined on the basis of Management Plans to be formulated for the selected sites and the new sites being taken up in each subsequent year. However, the Forest Department will target to provide at least Rs. 10 Crore annually for this scheme in the subsequent

years.

v) Implementing Officers: The scheme shall be implemented by the concerned DivisionalForest Officers under guidance of the concerned Conservator of Forests.

vi) Engaging of Labour

Sometimes, the local people are engaged in their own household, agricultural and horticultural activities. In these circumstances, they may not be able to work in the plantations under this scheme. Therefore, the JFMCs/VFDSs shall be allowed to engage Labour in such areas for short periods as per requirement.

3(c) Sensitization and Awareness building

The JFMCs/VFDSs shall be sensitized and awareness building shall be done amongst public for better management of forest area in and around scheme sites. The forest conservation issues like prevention and control of forest fires, illegal felling, illegal harvest of medicinal plants etc. shall be addressed through awareness programmes. The DFOs shall give funds to the **Category A** JFMCs/VFDSs maximum upto Rs 10000 each per annum for carrying out sensitization and awareness campaign amongst local people under this scheme. The**category A** JFMCs/VFDSs shall also be encouraged to carry out sensitization activitiesunder other schemes.

3(d) Creation of Market linkages and setting up of processing facilities

Small processing unit shall also be set up by JFMCs/VFDSs individually or by few JFMCs/VFDSs collectively for value addition in the forest produce. Concerned DFOs will also facilitate in developing market linkages for selling of produce at better prices for higher economic returns. For this DFOs will facilitate so that grant, loan can be made available under any government scheme. For capacity building and visits to markets or study tours, funds of Rs. One lakh per annum will be kept at the level of State Nodal Officer who will release funds as per need.

3(e) Raising of Nurseries by JFMCs/VFDSs

Some JFMCs/VFDSs shall be encouraged for raising nurseries. Some of the interested Category A JFMCs/VFDSs can apply for grant. They will be provided a grant by the concerned DFO for raising of nurseries of high economic value plants such as Junglee Anar(*Punica granatum*), Juglans species (Walnut), Kainth (Pyrus pashia for using as root stockfor pears), Medicinal Plants etc. Rs One lakh shall be provided by the concerned DFO in three installments for nurseries of 10,000 seedlings or more. First installment of Rs. Forty Thousand will be paid and thereafter Rs thirty Thousand will be paid after every six months. Nursery raising will be a commercial activity of the JFMCs/VFDSs. Apart from using the plants raised in these nurseries in developing the plantations over the allocated sites, they can also sell these plants to the public or institutions for cash income in order sustain the nursery on long term basis. They have to become self-sufficient. Thus those nurseries who take the grant will have to survive and provide plants in the long run. They can charge for the plants.

4. Scheme Period

Forestry being a long gestation activity, this scheme will be operated on a long-term basis as it will form an integral part of forest management in the State. Initially the Scheme is being launched with a plan period of 25 Years. However, to build in the learnings from the implementation of the scheme, the scheme will be reviewed in the 10^{th} year and necessary modifications if any would be incorporated. The Management Plan developed under the scheme will be formulated for an initial period of 5 years and shall be revised every 5 years.

5. Budgetary Outlay for the Scheme

For the year 2018-19, a provision of Rs. 2 Crore has been made for this scheme. Efforts will be made to dovetail the scheme into externally aided projects and schemes for up scaling.

6. Fund Flow Mechanism

Based on the approved Management Plan, the JFMCs/VFDSs in consultation with technical members will prepare Annual Plan of Operations (APO) for each year and will submit it to the DFO for the sanction of Budget for a Financial Year. The proposal for a financial year will be submitted by the end of December of previous year so that Forest Department could make appropriate provisions for the scheme in its budgetary projections. The DFO may modify the APO on technical considerations or on account of fundspositions. The DFO will convey the approved APO and allocation of budget to the concerned JFMCs/VFDSs as soon as the budgetary allocations for the financial year are received by him for the state Government. The budget as per the APO and allocation of budget to the concerned JFMCs/VFDSs as soon as the budgetary allocations for the financial year are received by him from the State Government. The budget as per the approved APO, will be released and deposited into the account of concerned JFMCs/VFDSs in the shape of Grant -in -Aid. The JFMCs/VFDSs will get the works executed at its level by preferably engaging willing local community members. On completion of a particular work, the same will be measured and certified by concerned Forest Guard. The Bank account of the JFMCs/VFDSs will be operated with the joint signatures of President of JFMCs/VFDSs and Treasurer. All payments will be made by JFMCs/VFDSs by Direct Benefit Transfer (DBT) into the account of concerned payee. At the completion of each work approved in APO, the JFMCs/VFDSs will submit a completion report and Utilization Certificate (UC) to DFO for record.

7. Direct Benefits to the Participating Community Groups

The participating community groups shall have many direct benefits from the Scheme, which include-

(a) Wages to members of the community user groups towards implementation of various scheme activities.

(b) Entitlement to ecosystem services including grass, leaf fodder, medicinal herbs, small timber, fire wood, water from check dams, etc. from the designated forest are managed by the group. No fee royalty shall be charged on use of such ecosystem services from the designated area.

(c) Eligibility for participating in the annual award scheme for best performing community groups.

(d) For benefit sharing, out of total income from sale of fruits, fodder, medicinal plants and NTFPs, 90% amount shall be distributed amongst the beneficiaries i.e. the members of JFMCs/VFDSs on equitable sharing basis and remaining 10% shall be retained by the concerned JFMCs/VFDSs to meet their expenses of miscellaneous activities like meeting, workshop etc. The JFMCs/VFDSs will formulate its own procedures for equitable distribution of benefits.

8. Institutional Tie Ups

The institutions like Himalayan Forest Research Institute, University of Horticulture andForestry, Nauni. IHBT Palampur shall be involved for providing technical knowledge, guidance and imparting training to the JFMC

9. Monitoring and evaluation

Result of the scheme shall be visible only implemented-termon basislong. (A Scheme to enhance economic returns to the rural households, engaged in collecting and selling of Non-Timber Forest Produce (NTFP) including medicinal plants through interventions at strengthening the wild NTFP resource base and improving post -harvest handling, valued addition and marketing)

1. Introduction

Non-Timber Forest Products (NTFPs) including medicinal plants, in addition to forming an important resource base for a variety of industrial products, play a very significant role in the local rural livelihoods. Himachal Pradesh a privileged in having a bountiful of NTFPs housed in its varied forests spread across its different agro- climatic zones. Of the 3500 odd higher plant species recorded in the State, 1489 species have been recorded to be used as NTFPs. These naturally occurring NTFPs including edible items, fodder, fuel wood, small wood for agricultural implements medicinal plants, roofing material, basketry material, fiber for ropes, etc, form the mainstay of rural livelihoods.

In Himachal Pradesh, as per the forest settlements, the right to collect NTFPs from forests vests in the local communities, who in accordance with the management regulations prescribed under forest working plans are free to collect NTFPs for domestic use and for trade. Most of the wild collected NTFPs like grass and leaf fodder, small timber for making agricultural implements; bamboo for basketry leaves for plate making firewood, etc are collected for consumption at household level and for local sale. Some of the NTFPs are in good commercial demand and are traded; providing a good opportunity to the rural communities to earn significant percentage of their annual cash income from their sale. Some of the important NTFPs of commercial significance include Anardana (*Punica granatum),*Guchhi (*Morcheila esculenta*), Chilgoza (*Pinus gerardiana*), Burashphool (*Rhododendron arboretum*), Kafal (*Myrica esculenta*), Bamboo for baskets (*Arundinaria spp; Dendrocalamus strictus*), and many species of medicinal plants. Collection and sale of these wild NTFPs is estimated to contribute 20-25% of annual household incomes to rural households in the state. For many households, especially the ones with little or no agricultural land this cash income is very crucial for their sustenance.

The collection of NTFPs in commercial demand and their sale, however, suffers on two counts. Firstly, the wild collection of NTFPs in the state is a highly opportunistic, individualistic and unorganized activity, often resulting in over harvesting putting the resource under stress. Wild populations of many NTFP species, especially the medicinal plants, have drastically declined due to such non-sustainable wild harvest. Secondly, the individualistic and unorganized approach makes the trade of wild collected NTFPs exploitative, resulting in low return to the gatherers. The individual collection and sale of NTFPs also preludes any value addition at the level of the community in terms of collectively grading, drying or packaging. With village level processing and value addition being limited to use of simple and often old technologies for oil extraction, most of the NTFP material is, thus, procured by the traders, working through layers of local agents, at the doorsteps of collectors in raw form at prices determined by the traders. Most of the value addition in form of proper drying, grading and packaging is, thus, done by the traders, often outside the state, depriving the wild gatherers of the benefits they could have taken from such processing at the end.

The issue needs to be addressed at two levels. Firstly, the NTFP resource base in the State needs to be strengthened, and secondly, the local communities need to organized and their capacities built in post-harvest handling and primary value addition to the wild harvested NTFPs and medicinal plants before selling to traders. It would need building institutions around responsible collection of NTFPs, value addition to collected harvest, and to pilot initiatives on conservation and propagation of these valuable resources in the forests and outside the forests.

2. The Scheme

Forests in Himachal Pradesh, spread over 2/3rd geographical area of the state and forming home to about 90% of its NTFP species, form the largest productive land resource in the State with excellent potential to strengthen the NTFP sector. The forests also provide equal access to its people, especially to the rural poor with little or no agricultural land, who have substantial dependence upon the forest resources. Developing forest land based NTFPs is, therefore, likely to result in more equitable enhancement of income of the poor sections of the society.

Thus this Scheme of the Himachal Pradesh- Gov 2018'" aims at addressing the ourcetwinbase inissuestheState of through active participation of Community User Groups, and (b) building capacity of CommunityUser Groups (CUGs) in sustainable harvest, post- harvest handling and value addition to wild harvested NTFPs for enhancing economic returns.

3. **Goals & Objectives**

The 'Van Samridhi, Jan Samridhi' Scheme aims households engaged in collecting and selling NTFP including medicinal plants throughinterventions at strengthening the wild NTFP resource base and improving post- harvest handling, value addition and marketing.

To achieve this objective the scheme takes into cognizance the land-use pattern in the state, the type of dependence of communities on NTFPs, the diversity of commercially important NTFPs, traditional NTFP trade practices and the infrastructure availability in the state and is based on the following

i) That the forest land, including the degraded one, provides the best opportunity to develop as NTFP resource banks, both for household consumption and for trade.

ii) that the local communities, especially the ones having significant dependence on NTFPs and medicinal plants, have the biggest stake in developing its resource base in the State and shall be involve as co-managers in the resource augmentation process.

iii) that development of NTFPs and medicinal plants would be based on the principle of optimum retention of economic value of the NTFPs within the state by adding quality and value.

iv) that the marketing of NTFPs will be based on the premise of turning the present exploitative 'Buyer's Market' to value added and remunerat

4. Major Scheme Components:

The major components of the Scheme are-

a) Identification and formation of Community User Groups (CUGs)

Identification and formation of CUGs by the Biodiversity Management Committees and formation of clusters for capacity building & other works.

b) Allocation of forest areas to CUGs

Allocation of forest areas to each CUG and involving them NTFP resource strengthening in the allocated forest areas.

c) Multilayered augmentation plantations to strengthen NTFP resource base

Strengthening of resource base of NTFPs by CUGs in identified forest areas in vicinity, through multi-layered augmentation plantations/cultivation of native NTFP & medicinal species. For this nurseries of various NTFP species shall be developed.

d) Harvesting, postharvest handling and developing marketing facilities

Standardizing wild harvest and postharvest handling methods viz. cleaning, drying, grading, packaging, certification, etc., for select NTFP species and setting up facilities for post harvest handling and value chain development at select pilot locations. Development of marketing facilities.

e) Developing Geo-Indicating brand name

Developing a common Geo-Indicating brand name for the select NTFPs & creating data base as well as literature.

5. **Involvement of Biodiversity Management committees**

Biodiversity Management Committee (BMC) is constituted under the ambit of HP State Biodiversity Board (HPSBB) in accordance with the Biological Diversity Act, 2002. It consists of a Chairperson and six persons nominated by the local body, of whom one third are women and not less than 18% are scheduled castes/scheduled tribes. Their main function isto prepare, maintain and validate People's Biodiver local people. The BMC is to maintain a Register giving information about the details of theavailability and knowledge of local biological resources which includes medicinal plants, their use or any traditional knowledge, details of the collection of fee imposed and details of the benefits derived and the mode of their sharing.

Biodiversity Management Committees (BMCs) prepare inventories of medicinal plants which are locally collected and sold in the market. HP State Biodiversity Board has constituted 604 Biodiversity Management Committees (BMCs) in different Gram Panchayats of the State. Though these BMCs have been constituted in all the 12 districts of the state, however, the Board, in the first phase, targeted 6 most biodiversity rich districts namely Chamb, Kulluy, Shimla, Sirmour, Kinnaur and Lahoul&Spiti. This existing set up of BMGs in the State shall in involved for identification and creation of Community User Groups. The scheme would be implemented through members of CUGs who will carry out plantation/cultivation, regeneration and will sustainably manage, collect and sell NTFPs including medicinal plants produce for higher returns to improve their livelihoods.

6. **Scheme Period**

Forestry is a long gestation activity and requires long-term plan for effective result. The initial period of the Schemehas , therefore, been kept at 20 years (April 2018 to March 2038) toafford opportunity to the participating Community User Groups for effective involvement and benefit sharing from the scheme.

7. **Scheme Area**

The scheme shall be applicable to the entire state of Himachal Pradesh.

8. **Budgetary Outlay for the Scheme**

For the year 2018-19, an initial annual outlay of Rs. One Crore has been kept for the Scheme. Higher outlay shall be provided in future. Efforts will be made to dovetail the scheme with Externally Aided Projects and other schemes for up scaling. The indicative break-up of the budget outlay for the year 2018-19 shall be as under:

S.No.	Particulars	Amount (INR Lakhs)
1.	Creation and organizing of CUGs (L/S)	4
2.	Seed money @ Rs. 10,000/- per CUG [10 Forest Divisions X 3 clusters X 4 CUSs]	12
	Setting up of NTFP & Medicinal Plant Nurseries [7 NOs. X	42

	Rs. 6,00,000/-]	
3.	Creation of revolving fund for procurement by HPSFDC Ltd.[Rs. 10,00,000/- per year for five years]	10
4.	Seed money for private entrepreneurs, NGOs/Societies for procurement &branding [Rs. 1,00,000.00 per entity for 5 entities]	5
5.	Subsidy for setting up of Processing Units[25% for machinery& equipment costs subject to max. of five lakhs for 4 units]	20
6.	Training & workshop	5
7.	Miscellaneous Expenses	2
	Total Amount [INR in Lakhs)	**100**

Note: Resources of JadiButi Cell under JICA Project and other EAPs shall also be utilized

9. Implementation Mechanism

The scheme shall be implemented as follows:

a) State Nodal Officer: The Additional Principal Chief Conservator of Forests(Research & Training) shall be the Nodal Officer for implementation of the Scheme, and shall be responsible for steering the scheme.

b) Implementing Officers: The scheme shall be implemented by the concernedDivisional Forest Officers under guidance of the concerned Conservator of Forests.

c) Creation of Community Users Groups under the umbrella of BMC

The BMCs shall identify the local people having rights and who actually collect the NTFPs including medicinal plants to form Community User Groups. Those local people who are interested in collection of NTFPs & medicinal plants shall also be included in the Community User Groups. The poor people having less other means oflivelihood are generally involved in collection activities. The of the JICA project and the concerned Forest Guard shall facilitate formation of Community User Groups. HP Sate Biodiversity Board may also be associated information of Community User Groups. The members of the CUG shall elect their Head. One member of the CUG shall be nominated as Treasurer by the DFO to maintain the accounts and other records relating to funds. Treasurer should be educated and preference be given to a member who has interest in medicinal plants. A member who is retired Government employee may also be considered for nomination as Treasurer. The CUG shall open their account in the Bank and it shall be operated with two member signatures i.e Head & Treasurer. The data of such Community User Group (S) shall be maintained by the BMC through the concerned Forest Guard who is also the Secretary of BMC.

d) Organizing Community User Groups (CUGs)

CUGs shall be organized to form clusters to produce commercially viable quantities of NTFPs and medicinal plant produce from each cluster. The Divisional Forest Officer(S) shall organize minimum 2-3 such cluster(s) in their Divisions, each cluster comprising of several CUGS collecting similar NTFPs and medicinal plant produce. Forest Divisions having naturally abundant NTFPs and medicinal plants of high economic value in six most biodiversity rich districts namely Chamba, Kullu, Shimla, Sirmour, Kinnaur and Lahoul&Spiti shall be taken up initially under the scheme. More Forest Divisions shall be included and number of cluster per year shall also be enhanced subsequently on successful standardization of NTFP development mechanism.

e) Allocation of Land Banks to CUGs

Each CUG shall be allocated the forest areas for NTFP management which may vary in size depending on availability in their vicinity for strengthening resource base of NTFPs including medicinal plants through augmentation.plantation/cultivation. The DFO(s) shall identify such areas for each of the CUGs identified and organized by them.

f) Multi-layered plantations

The plantation/cultivation model for strengthening NTFP & medicinal plants resource based on the forest areas allocated to the CUGs shall be a multi-layered plantation method in which a combination of native trees, medicinal shrubs and/ or herbs of high economic value shall be planted/cultivated. For example.*Daru (Punica granatum*) or Amla (*Phyllanthus emblica*) could be the tree. Species, with which shrub species like Timbre *(Zanthoxylum armatum.)* and/ or perennial herb species like Shatavari (Asparagus adsendens) can be planted. The other plantation models could be Harar*(Termina liachebula), Bahera (Terminalia bellirica), Amla (Phyllanthusemblica) with Shatavari (Asparagaus racemosus); Tejpattta (Cinnamomum tamala) with Karipatta (Murraya koenigii); Chuli (Prunus armeniaca) with Timbre (Zanthoxylum armatum)* and medicinal herbs (*Valeriana spp, Hedychium spp.)* etc.

These plantation models can be modified to fit in trees, shrubs and herbs in the same patch. Similarly, shrubs can be planted along boundary to create live hedge. The model also provides flexibility of planting different layers of species over more than one year.

A seed money of Rs. 10,000/- shall be released by the concerned DFOs to each participating Community User Group as Grant –in –Aid (GIA) to meet their miscellaneous expenses for carrying out plantations and their maintenance. No wages are to be paid. This will remain as a revolving fund with the group and shall be recouped from the sale amount of NTFPs and medicinal plants. Plantation of indigenous species shall be encouraged. The Forest Department shall provide the planting stock from its designated nurseries.

g) Nurseries of NTFP & Medicinal Plant Species

Medicinal plant nurseries shall also be developed under this scheme to meet the demands of medicinal plants and other NTFP species for cultivation/ plantation. High yielding varieties shall be raised in these nurseries for plantations by the Community User Groups for higher yields. Dedicated nurseries for NTFPs and medicinal plants for catering to the demand of plants under this scheme shall be set up and maintained by the department. These nurseries shall be supported financially under this Scheme as well as Externally Aided Projects. In addition to this, wherever possible, nurseries developed under Externally Aided Projects shall also cater to the demands for plantation/ cultivation of NTFP/ medicinal plants by the Community User Groups.

h) Collection of NTFPs & medicinal plants by CUGs

It is of paramount importance that medicinal plants are not over exploited and should be collected in such a manner that its wild populations are not threatened. Collection shall be done only by the local right holders who are members of Community User Groups. No external labour shall be deployed unless allowed by the Community User Group. It shall be the duty of the members to ensure scientific exploitation and they will protect the seed & plants to ensure that the crop is maintained in the long run. The species, time of collection, quantity to be extracted and method of collection shall be decided by the BMC. The concerned Forest Guard shall give permit and monitor the collection by the members of Community User Groups. No outsiders will be allowed.

i) Procurement of NTFPs including Medicinal Plants

The HP State Forest Department Corporation Ltd. Shall be the Nodal Agency for procurement of NTFPs mainly including medicinal plants under this Scheme. Private Entrepreneurs, Societies/ NGOs

working in this field shall also be involved for procurement and branding. A seed capital shall be provided for these procurement agencies to build a revolving fund. These agencies shall develop marketing linkages and procure the produce from the Community User Groups at better prices for further trade in the market. In the Forest Corporation, revolving fund of Rupees One Crore shall be built up in a phased manner over a period of 5 years. Initially an amount ofRupees Fifty Lakhs shall be provided to the Forest Corporation in instalments and they will further enhance this fund upto Rupees One Crore by gaining interest and adding their own income from the sale amount. The Forest Corporation shall maintain separate account for this revolving fund and will not use it for any other payments. This revolving fund shall be recouped from the Sale amount of NTFPs and medicinal plants. The Forest Corporation shall also link it up with Minimum Support Price for Minor Forest Produce Scheme of GOI implemented through Tribal Co-operative Marketing Development Federation of India Limited (TRIFED). The State Government has already declared the Forest Corporation as its Procurement Agency under the Scheme.

The Private Entrepreneurs, NGOs/Societies working in this field shall be given seed funds uptoRs One Lakh for procurement and branding for which they have to render regular accounts to the department. They shall also be facilitated to establish infrastructure from the Externally Aided Projects for procurement.

j) Subsidy for setting up of Processing Units

Subsidy up to 25% of the cost of machinery & equipments subject to a maximum of Rs Five Lakhs per unit shall given by the Department under this scheme for establishment of processing units by the Community Users Groups individually or collectively .

k) Capacity Building

The Capacity building of the Community User Groups shall be done mainly through the Project Staff under the JICA project. *Jadi-Buti* cell proposed under JICA project shall play a major role in building capacity of the Community User Groups. For capacity building, the main focus shall be cultivation techniques of high yielding varieties, extraction techniques both for cultivation & wild species and post-harvest processing skills for value addition at local level in order to fetch better market price. The Forest Department shall also organize training programmes be build capacities of the Community Users Groups under this scheme.

l) Involvement of *Jadi-Buti* (Medicinal Plants) Cell proposed in JICA Project.

Setting up of a *Jadi-Buti* Cell is envisaged in PMU of JICA project during first Year of the project launching. This Cell will coordinate activities on NTFPs including medicinal plants. The key function of the *Jadi-Buti* Cell are proposed as under:

- Create a brand for the medicinal plants produces in Himachal Pradesh and take up necessary actions for brand promotion at state, national and international level.
- Work on value chain development of key high altitude medicinal plants.
- Undertake advocacy for changes in the policies, legal and operative framework for value chain development of medicinal plants
- Play a facilitating role in procurement and trade of medicinal plants in the state and ensure consistent supply to the pharmaceuticals and other industries.
- Carry out market research on a regular basis and establish market information system.
- Work with other stakeholders to promote conservation, resource development and sustainable management of medicinal plants with a focus on high altitude medicinal plants.
- Carry out widespread campaign for plantation /cultivation of high altitude medicinal plants in

order to make Himachal Pradesh and assured source of supply of important medicinal plants/ products to the pharmaceutical industries in the country.

- Collaborate with research institutes for developing agro-techniques for selected high altitude medicinal plants and sustainable harvesting protocols for selected medicinal plants, and popularization of agro-techniques and sustainable harvesting protocols.
- Facilitate institutional development of producer organisation through training, capacity building and access to business development service.

Therefore, linkage of this scheme shall be developed with the *Jadi-Buti* Cell for procurement, value addition, branding and marketing. This Cell will play a major role in building capacity of the Community User Groups by collaborating with research organizations and experts in cultivation of high yielding varieties, sustainable harvesting and marketing. The Cell will also develop a system about the current rates and market availability and information shall be sent to the members of Community Users Groups through mobile sms and emails. HP State Biodiversity Board may also be associated for marketing linkages.

10. Fund Flow Mechanism

The concerned DFO will prepare Annual Plan of Operation (APO) along with requirement of funds for each year in consultation with respective BMS/Community User Group and will submit it to the PCCF (HoFF) through concerned Conservator of Forest for the sanction of Budget for a Financial Year. The proposal for a financial year will be submitted by the end of December of previous year so that appropriate budget provisions are made in advance for the Scheme in its budgetary projections. The PCCF(HoFF) will convey the approved APO and allocation of budget to the concerned DFO. The budget shall be spent by the DFO as per the approved APO.

Preferably, the members of CUG shall be engaged by the department for carrying out various activities such as setting up of nurseries under the scheme. The budget such as seed money meant for the CUG as per the approved APO, will be released by the concerned DFO and deposited into the account of concerned CUG in the shape of Grant-in Aid. The Bank account of the CUG will be operated with joint signatures of the Head of CUG and Treasurer. The CUG will get the works of plantation and maintenance executed at its level preferably by the willing members of the CUG engaging other labour. The plantation and maintenance in the allocated land banks will be monitored by concerned Forest Guard who is Secretary of the BMC. CUG shall initially maintain the seed money of Rs 10,000-00 as its revolving fund and it will be enhanced gradually to and amount of Rs 50,000-00 from subsequent grant from the department, sale amount of NTFPs & medicinal plants. Based on performance of CUGs and proper utilization of seed money, the department shall consider release of grant upto Rs 10,000-00 each year form second year onwards till it reaches Rs 50,000-00. The CUG will submit a completion report and Utilization Certificate (UC) for the funds received as Grant-in-Aid to DFO concerned for record.

11. Benefit Sharing

For benefit sharing, out of total income from sale of NTFPs and medicinal plants, 90% amount shall be distributed amongst the beneficiaries i.e. the members of CUGs on equitable sharing basis and remaining 10% shall be retained by the concerned BMC to meet their expenses of miscellaneous activities like meeting, workshops etc. of BMC & user groups. The BMC will formulate its own procedures for equitable distribution of benefits.

12.Monitoring & Evaluation

The monitoring and evaluation of the scheme shall be done by engaging a third party. The findings of third-party assessment shall be used for modifying the scheme if needed after its revie

"Mukhya Mantri Van Vistaar Yojana (MMVVY)"

1. Introduction:

Himachal is a mountain state that exerts considerable ecological and socio-economic influence well beyond its boundaries and is one of the major source of water to the plain areas. The forests of the state are rich in biodiversity and play a vital role in preserving the fragile Himalayan Ecosystems. The recorded forest area constitutes about 68.16% of the geographical area of the State. As per the Indian State of Forests Report 2021 forest cover of Himachal Pradesh is 15443 sq.km which is 27.72 per cent of the total geographical area. Forests play a key role in achieving Sustainable Development Goals 6, 13 and 15 and Theme 1, 4 and 5 of localization of SDGs (LSDGs) in Gram Panchayat Development planning process.

As per the National Forest policy, 1988 the hilly and mountainous regions, has to maintain two third of its geographical area under Forest and tree cover. As per records more than 20,000 Square kilometer of state's land is uncultivable and comprises of barren land, nallahs, river beds, water bodies, alpine pastures, snow covered peaks and area above tree line thus cannot sustain forests although such areas falls within the legally classified forest land category. Approx. 17000 sq km within the legally classified forest area can support tree crop, which is equivalent to 30.5 percent of the TGA. In addition to it about 5% of the states area is under tree cover as horticulture and farm forestry. Thus the total area which is supporting or can support tree crops over Forest, Agriculture and Horticulture Lands amounts to approx. 35.5%.

This said area under forest and tree cover can be expanded through systematic planning and implementation of afforestation and rehabilitation programmes in degraded and open forests. The Government of Himachal Pradesh is committed for including more area under forest and tree cover in the state. *Mukhya Mantri Van Vistaar Yojana* is a flagship forestry scheme aiming to green barren landscapes.

2. Objectives:

The Mukhya Mantri Van Vistaar Yojana (MMVVY) aims to include 250 hectares of the barren areas in various hills/mountains of the state in the first phase during the Financial Year- 2023-24. The Mission will be up scaled in the subsequent years. The Yojana has following objectives:-

i. To expand the green cover of the State to difficult sites through integrated site specific afforestation.
ii. To prevent soil erosion and excessive runoff on degraded and refractory hill slopes.
iii. To provide forest ecosystem services and livelihood opportunity to local population in those areas those are devoid of forest cover in its vicinity.

3. Implementation Mechanism:

i. **Site specific plantation Models:** Sites that face substantial difficulties in afforestation shall be selected and the hurdles shall be addressed by using advanced plantation technology. Modern technology like use of resilient seedlings and saplings, bioengineering, hydrogel, biofertilization, geotextiles and import of fertile forest soil shall be adopted to ensure a high rate of survival under difficult edaphic and climatic conditions. The following three models of plantation will be adopted as per site suitability:

Model	Area Description	Proposed interventions	Indicative maximum cost / ha* including maintenance for 7 consecutive years
Model I	South facing refractory slopes	300 tall plants + 800 normal plants / bamboo, addition of vermicompost / biofertilizer, staggered contour trenches for moisture conservation, bioengineering native shrubs & grasses	Rs. 4.60 lakhs
Model II	Rocky and gravelly sites	500/ha tall plants in plantable patches, 2000 bioengineering plants / ha, biofertilizer, hydrogel, geotextile wherever	Rs. 4.14 lakhs (cost of geotextile shall be additional)

		required	
Model III	Degraded sites in proximity to towns	800 / ha tall plants or 500 tall plants/ha + 300 bamboo/ha, provision of interlihk chain fencing wherever high biotic pressure exists, innovative designs like bambusetum, arboretum, herbal garden etc, geotextile wherever required	Rs. 4.83 lakhs (cost of geotextile and interlink chain fence if required shall be additional)

* Appropriate increase for Tribal Area shall be incorporated as per Government directions from time to time

4. The list of species to be planted under the Yojana is enclosed as **Annexure-I**. Indicative activities/ works to be undertaken under the above mentioned models is enclosed as **Annexure-II**, **Annexure-III** and **Annexure-IV**. The names of sites proposed for plantation on Hilllocks alongwith its areas and GPS location is enclosed as **Annexure-V**. Technology interventions being dynamic in nature, continuous evolution of new methods, models and techniques is expected during the period of implementation of the Yojana. Any such changes or new adaptations and subsequent changes in the cost norm may be incorporated in the models by Principal Chief Conservator of Forests (HoFF) in consultation with the *Mukhya Mantri Van Vistaar Yojana Task Force* whenever needed.

ii. Mukhya Mantri Van Vistaar Yojana Task Force: The interventions shall be implemented intensively on a mission mode for which a special purpose task force shall be constituted at State level. The task force shall comprise of the following officials:-

SNo.	Official	Role
i	Principal Chief Conservator of Forest (HoFF)	Team Leader
ii.	Principal / Addl. Principal Chief Conservator of Forest (Finance)	Coordinating Fund flow, site specific planning for *Mukhya Mantri Van Vistaar Yojana*
iii	Chief Executive Officer, CAMPA	Fund flow from CAMPA, coordinating Compensatory Afforestation actions
iv	Addl. Principal Chief Conservator of Forest (FCA)	Formulation of site specific compensatory afforestation plan for *Mukhya Mantri Van Vistaar Yojana*
v	Addl. Principal Chief Conservator of Forest (M&E)	Intensive monitoring

vi	Addl. Principal Chief Conservator of Forest (Research and Training)	Support technology interventions
vii	Conservator of Forests (IT & Projects)	Facilitate IT enabled support Coordinate with Externally Aided Project Directorates
viii	Deputy Conservator of Forests (Finance)	*Mukhya Mantri Van Vistaar Yojana* Coordinator and nodal officer

The Mukhya Mantri Van Vistaar Task Force shall meet at least once every fortnight during plantation season to review the implementation of the Mukhya Mantri Van Vistaar Yojana (MMVVY) and coordinate with field units for time bound execution of works under the Yojana.

iii. Establishment of Plantations: For the implementation of the MMVVY the priority areas shall be designated as detailed below:

Priority I: Barren areas where no trees exist.
Priority II: Scrub Forests (forest lands where canopy density is less than 10%)
Priority III: Open forests (all lands with canopy density of 10% and more but less than 40%). Moderately dense forests will not be taken under the Yojana. To ensure successful establishment of the plantation following measures shall also be undertaken:

- Proper monitoring mechanism shall be put into place as per "Para V".
- Local communities shall be encouraged to aid in protection.
- Van Mitra shall be engaged for the sites selected under the Yojana.
- The various government and non governmental agencies, individuals, Self Help Groups, Joint Forest Management Committees shall be encouraged to adopt the plantation sites.

iv. **Budgetary provision:** The following budgetary provisions shall be utilized for implementation of the MMVVY.

a. **Departmental scheme:** A new site specific plantation scheme shall be incorporated in the State forestry programme of the H.P. Forest Department. This can be done by rationalizing 40 percentage of the existing budget provision for various ongoing plantation schemes /

models. Some of the existing schemes shall be reviewed and replaced / modified by site specific plantation scheme.

b. **Compensatory Afforestation:** The new sites for compensatory afforestation to be undertaken as per provisions of Forest (Conservation) Act 1980 shall include the models proposed under para 3(i) of the instant Yojana document.

c. **Externally Aided Projects:** The ongoing externally aided projects of the H.P. Forest Department shall align with the *Mukhya Mantri Van Vistaar Yojana* objectives and actions in their respective operations.

d. **Other sources:** Financial assistance in the form of Corporate Social Responsibility, sponsorship by non-government and government agencies, autonomous bodies, individuals 'etc shall also be dovetailed. Execution of works on sites under the Yojana can also be channelized through Eco-Task Force.

v. **Monitoring mechanism:** Since the sites to be undertaken in the MMVVY are generally characterized by certain restrictive conditions, there has to be a robust mechanism for monitoring survival and growth of the plants. This can be achieved through digitization of site boundaries and uploading complete site information and works on web based portal and also by maintaining Plantation journal. A proper monitoring mechanism shall be in place, which will be:

i) Monitoring and Evaluation Protocol of HP Forest Department
ii) Third Party Monitoring and Evaluation.
iii) Monitoring by Mukhya Mantri Van Vistaar Task Force. Besides each task force member will formally adopt one site for at least 5 years.
iv) For proper monitoring mechanism, there shall be provision of videography before the plantation as well as after the plantation.

Third party Monitoring and Evaluation team and Mukhya Mantri Van Vistaar Task Force will monitor the plantation sites annually and will submit the inspection report to the Principal Chief Conservator of Forests (HoFF).

Vi. Departmental Accountability: As per para v effective monitoring will be put in place. If the evaluating teams i.e third party Monitoring and Evaluation team or Mukhya Mantri Van Vistaar Task Force find out any discrepancy or any lacunae while implementing *Mukhya Mantri Van Vistaar Yojana*, suitable action shall be initiated as per provisions contained in CCS/CCA rules 1965.

Vii. Community involvement: The involvement of local communities is very important for successful implementation of any forestry scheme. Under this Yojana local communities inhabiting areas nearby to the sites selected shall be encouraged to participate in the restoration of the degraded/ barren landscapes and help in the protection of the plantation areas from various biotic and abiotic pressures like grazing, forest fires etc. The plantations shall be carried out by the Community Based Organizations (CBOs), Yuvak mandals, Mahila Mandals etc. under the technical guidance of the Himachal Pradesh Forest Department. In case the CBOs, Yuvak Mandals or Mahila Mandals do not carry out the plantations in the sites selected in their locality, the work of raising plantation and carrying out maintenance can be outsourced to the external agencies. Further on outsource basis services shall also be hired for watch and ward and regular maintenance of the each areas identified under the Yojana. The person engaged shall carry out the irrigation, weeding, maintenance of the area regularly to ensure survival of the plants planted. One person shall be engaged for area up to 5 ha and so on. Van Mitras as and when they are engaged by the Himachal Pradesh Forest department shall also be deployed for watch and ward & maintenance (if required) in the sites selected for carrying out plantations under the Yojana. One Van Mitra shall be engaged for watch and ward of the area to an extent of 25 Ha. Further local Self Help Groups operational under the Externally Aided Projects and Joint Forest management

Committees working under Green India Yojana shall also be made an integral part of the Mukhya Mantri Van Vistar Yojana.

Viii. Exit Protocol:

The sites to be taken under the MMVVY shall be identified and selected by the concerned Divisional Forest officers (DFOs) and shall be approved by the respective Chief Conservator/ Conservator of Forests. The areas selected under the MMVVY shall be maintained for seven (07) years. Thereafter a Circle Level Committee comprising of Chief Conservator/ Conservator of Forests, DFO of concerned Division, and Assistant Conservator of Forests/Range Forest officer shall be constituted. The functions of the Circle Level Committee shall be to monitor and evaluate the Seven Year Old Plantations, assessment of the establishment status and prepare comprehensive report on the basis of field inspection. The committee shall, in the report, also mention the type and quantum of maintenance carried out over the years, and the results of the same. Plantations where the survival percentage is more that 40% will be considered as established and recommended to the PCCF (HoFF), HP to be notified as "Established Plantation". If the category of the plantation area is un-demarcated protected forest (UPF), the same shall be declared as demarcated protected forest (DPF) after issuing notification by competent authority.

Annexure-I

List of species proposed to be planted under Mukhya Mantri Van Vistaar Yojana*

S. No	Botanical name	Common name
1.	Emblica officinalis	Amla
2.	Sapindus mukorossi	Reetha
3.	Bauhinia variegata	Kachnar
4.	Punica granatum	Daroo
5.	Dalbergia sissoo	Shisham

No. FFE-B-E(3)-43/2006-Vol-II Dated: Shimla-2, the 26.12.2013

NOTIFICATION

Whereas, the draft of the Himachal Pradesh Forest (Timber Distribution to the Right Holders) Rules, 2013 were published in the Rajpatra, Himachal Pradesh vide this Department notification of even number dated 28.09.2013 for inviting objection(s) and suggestion(s) from the general public within a period of 30 days from the date of its publication in the Rajpatra, Himachal Pradesh, as required under clause (L) of section 32 of the Indian Forest Act, 1927 (16 of 1927);

And whereas, the objection(s) and suggestion(s) received within the above stipulated period have been considered;

Now, therefore, in exercise of the powers conferred by clause (L) of section 32 of the Indian Forest Act, 1927 (16 of 1927), the Governor, Himachal Pradesh is pleased to make the following rules, namely:-

1.Short Title and commencement.-(1) These rules may be called the Himachal Pradesh Forest (Timber Distribution to the Right Holders) Rules, 2013.

(2) They shall come into force from the date of publication in the Rajpatra, Himachal Pradesh.

2. Definitions.-(1) In these rules, unless the context otherwise requires,

(a) 'Act' means the Indian Forest Act, 1927;

(b) 'Right Holder' means a person who has a right of timber recorded in the 'record of rights' in the Forest Settlement Report of the area concerned;

(c) 'Record of rights' means, rights recorded in the Forest Settlement Reports;

(d) 'Timber Distribution' means distribution of timber to the right holders as per record of rights recorded in the Forest Settlement Reports; and

(e) 'Timber Distribution Rights' means right of a Right Holder having cultivable lands for grant of timber for construction, repair and addition or alteration of residential house and cow shed for bonafide domestic use of the Right Holder, recorded in the Forest Settlement Report of the area concerned;

27.12.14 4165 27/12/13

(2) All other words and expressions used but not defined in these rules shall have the same meaning as assigned to them in the Indian Forest Act, 1927.

3. Entitlement.-Timber shall be granted to the Right Holders who have their recorded rights in the concerned Forest Settlement Reports for grant of Timber for construction, repair and addition or alteration of residential house, cow sheds for bonafide domestic use:

Provided that:

(i) no Timber Distribution under these rules shall be made for ten years if the right holder has sold trees yielding timber for construction of houses from his private land holding;

(ii) in case right holder has land holding which qualifies him for grant of timber at more than one place, he may be granted timber at both places but the rates of trees shall be doubled at the second place. The right holder shall give undertaking about the details of land holdings and while applying for Timber Distribution at second place, details of timber already obtained against land at first place;

(iii) no Timber Distribution shall be granted to a land owner on the basis of land purchased after obtaining the permission of the Government under section 118 of the Tenancy and Land Reforms Act, 1972, irrespective of the date of purchase of such land;

(iv) timber shall be granted only to the head of the family as per the Panchayat records;

(v) timber shall be granted for the construction, repair and addition or alteration of house and cow shed to be used only for bonafide domestic purposes;

(vi) timber shall not be granted to the Right Holders, if trees for the purpose are not available silviculturally in the forest where concerned right holders have Timber Distribution right. However, in such cases trees may be given from other forests at 50 % of market rate of trees; provided right holders of those forests have no objection;

(vii) rights other than for timber for construction, repair and addition or alteration as contained in forest settlement reports shall continue to be exercised by the right holders;

(viii) Timber Distribution Rights shall be subject to active cooperation and participation of Right Holders in forest conservancy. In case any Right Holder fails to perform his duties for apprehending offenders, extinguishing fire or commits any forest offence, his right of Timber Distribution shall be suspended for sixteen years from the date of omission or commission of such offence; and

(ix) Timber Distribution Right of a Right Holder shall be suspended for sixteen years if he is found to have mis-utilized the timber obtained in Timber Distribution under these rules.

4. Quantity.-(1) Trees shall be granted in unconverted form tree as per scale fixed below:

(i) for construction of new house = Up to 7 Cubic Meter standing volume; and

(ii) for repair and addition or alteration = Up to 3 Cubic Meter standing volume.

(2)Trees shall be given from salvage (fallen, dry standing) trees. If salvage trees are not available, then only silviculturally available green trees shall be given.

5. Periodicity. -The periodicity for grant of Timber Distribution to the Right Holders shall be as under:

(i) for new construction - once in fifteen years;

(ii) for repair and addition or alteration - once in five years;

(iii) sufferers of natural calamities/fire sufferers: as recommended by the Sub Divisional Officer (Civil) concerned and after personal verification by the Assistant Conservator of Forest/Divisional Forest Officer concerned subject to the condition that the grant shall not exceed the maximum limit specified under rule-4; and

(iv) period shall be counted from the date on which TD was granted last.

6. Rates. -The rates shall be charged as under:-

(i) Rs. 500 per Cubic Meter standing volume for Deodar and Rs. 250 per Cubic Meter standing volume for other species;

(ii) Right Holders suffering from natural calamities shall be given trees free of cost;

(iii) Rates once fixed shall remain valid for five years.

7. Procedure for grant of trees.-Application for grant of trees shall be submitted by Right Holder as per **Annexure-I** to the Panchayat concerned after getting necessary remarks from the Patwari concerned about his land holding and rights. The Pradhan of concerned Gram Panchayat after ascertaining genuineness of the requirements of the Right Holder shall give his recommendations indicating actual quantity of requirement of timber. Thereafter, right holder shall submit his application to the Forest Guard of the area who shall enter the same in the register maintained for the purpose and shall

acknowledge the receipt of the application to the Right Holder and shall send the application with his recommendations to the Block Officer after ascertaining the genuineness of demand, who in turn shall submit the application along with his recommendations to the Range Officer. The Range Officer shall forward the same with his recommendations to the Divisional Forest Officer. After receipt of application from the Range Officer, the Divisional Forest Officer shall take action for sanctioning of the trees after satisfying himself about the genuineness of the requirements and silviculturally availability of trees in the concerned forest and intimate his decision to the Right Holder concerned as per **Annexure-II** appended to these rules.

8. Verification by Divisional Forest Officer.- Divisional Forest Officer shall randomly verify the actual requirements of trees applied for before according sanction.

9. Jurisdiction and period for the use of Timber.- (1) Timber obtained in Timber Distribution scheme shall be utilised within the same Revenue Estate, where his rights exist. Trees granted under these rules shall be allowed to be carried within revenue estate without obtaining any permission after affixing of TD hammer:

Provided that in case the timber is to be carried out from one estate to another, the Right Holder shall have to obtain permission from the Range Officer concerned for this purpose:

(2) The timber granted shall be utilized by the Right Holder within a period of one year. If the trees granted are not utilized within the specified period, concerned Divisional Forest Officer may grant extension for their use based on the genuineness of the case. The Divisional Forest Officer shall ensure through his staff that the trees granted are used for the purpose for which they were sanctioned. In case Timber obtained is not utilized during the permissible period, the same may be seized/confiscated by the Forest Department and the decision taken by the Divisional Forest Officer in this regard shall be final.

10. Marking of trees.- After sanctioning of trees by the Divisional Forest Officer, they shall be marked by Block Officer.

11. Use of Saw for conversion.- Conversion of trees, marked in Timber Distribution, shall be converted by using saw.

12. Another tree in lieu of rotten tree.- If salvage trees marked in Timber Distribution are found totally rotten after conversion, the right holder may inform the Range Officer, who shall personally check and certify and send report to the Divisional Forest Officer.

Thereafter, another tree may be ordered by the Divisional Forest Officer to be marked in lieu of rotten tree.

13. Monitoring of data base and checking.-The data regarding details of right holders, information about land at two places by the right holders, tree/timber granted, utilized, etc. Shall be maintained and monitored Panchayat and Range wise by the Divisional Forest Officer concerned through the Officers and officials working under him.

14. Penalty and Punishment.- If any Right Holder, violates any provision of these Rules in utilization of timber obtained, his rights shall be suspended for next sixteen years and he shall also be liable to pay the cost of the tree at the market rate.

15. Repeal and savings.-(1) The Himachal Pradesh Forest (Timber Distribution to the Right Holders) Rules, 2010 are hereby repealed.

(2) Notwithstanding such repeal or any action taken or anything done under the rules so repealed shall be deemed to have been taken or done under the corresponding provisions of these rules.
